NCAA Guidelines for Boosters

The University of Nebraska Athletic Department takes great pride in abiding by the National Collegiate Athletic Association (NCAA) and the Big 12 Conference rules and guidelines that govern Division I competition. For the benefit of the many alumni, fans and booster club members who are so active in supporting and assisting the Huskers throughout the year, we would like to remind everyone of a few definitions and rules that apply to all athletic representatives and boosters.

NCAA Principles

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

NCAA Definitions

Athletic Representative/Booster

You are considered to be a University of Nebraska athletic representative if you:

- ▶ Are a present or past member of a University of Nebraska booster club or agency that promotes the Huskers' intercollegiate athletic program;
- ▶ Have made financial contributions to the athletic department or to an athletic booster organization of the University of Nebraska;
- ▶ Are, or have been, providing benefits (e.g., summer jobs, meals etc.) to enrolled student-athletes, their family members or friends;
- ▶ Are, or have been involved in any manner of promoting the University of Nebraska intercollegiate athletic program.

Please note: Once an individual is identified as an athletic representative, that person retains that identity indefinitely. The University of Nebraska is ultimately responsible for the acts of all "representatives of athletic interests" in relation to NCAA rules and regulations.

Prospective Student-Athlete

A prospective student-athlete is a student who has started classes for the ninth grade or above, including students in prep schools and junior colleges as well as students who have officially withdrawn from a four-year institution and plan to transfer to another institution. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution or a booster provides the individual or the individual's relatives or friends with any financial assistance or benefits that the institution does not provide to prospective students in general. A good rule of thumb is to treat ALL STUDENTS as prospects.

Student-Athlete

A student-athlete is a student whose enrollment was solicited by a member of the athletic staff or other representative of athletic interests with a view toward the student's ultimate participation in the intercollegiate athletic program.

Contact

A contact is any face-to-face encounter between a prospect, or the prospect's parent or legal guardian, and an institutional staff member or athletic representative during which any dialogue occurs.

Recruiting

Recruiting is any solicitation of a prospect or a prospect's family member (or guardian) by an institutional staff member or by an athletic representative of the institution, for the purpose of securing the prospect's enrollment and ultimate participation in the institution's intercollegiate athletic program.

Guidelines & Reminders for Boosters

- ▶ A booster may not contact the prospect, prospect's coach, principal or counselor in an attempt to evaluate or recruit the prospect.
- ▶ A booster may not expend funds to entertain or provide transportation for a prospective student-athlete, family members or friends.
- ▶ A booster may not become directly or indirectly involved in making arrangements for a prospect, or the prospect's relative or friends to receive money or financial aid of any kind.
- ▶ A booster may not contact a prospective student-athlete through letter writing, telephone calling or other forms of communication.

However, here are a few ways that a Husker Booster may be involved

- ▶ Do discuss summer employment opportunities with a prospect after he/she has signed a National Letter of Intent with the University of Nebraska.
- ▶ Do attend high school athletic events without contacting prospective student-athletes.
- ▶ Do continue existing friendships with families and friends of prospective student-athletes.
- ▶ Do send recommendation letters, newspaper clippings or similar information about prospective student-athletes to Husker coaches.

Extra Benefit Guidelines & Reminders for Boosters

Extra Benefit

An extra benefit is any special arrangement by an institutional employee or an athletic representative to provide a student-athlete or the student-athlete's relative or friend a benefit not expressly authorized by NCAA legislation. Boosters may not provide any special arrangement considered to be an extra benefit by NCAA definition. Examples of extra benefits include but are not limited to:

- ▶ Providing cash or loans of any amount;
- ▶ Signing or co-signing for a loan or other forms of financial assistance;
- ▶ Providing the use of a telephone to make local or long distance calls;
- ▶ Transporting a student-athlete or providing the use of a vehicle;
- ▶ Providing free or reduced rent housing;
- ▶ Giving gifts of any kind (i.e. birthday, Christmas, Valentine's Day);
- ▶ Promising a student-athlete post-graduate education or employment;
- ▶ Offering free services (i.e. clothing, airline tickets, laundry, car repair, haircuts, restaurant meals);
- ▶ Providing payment to a student-athlete for a booster club speaking engagement;
- ▶ Providing employment for relatives or friends.

However, here are a few ways that a Husker booster may help

- ▶ Do invite a student-athlete to participate in non-profit, charitable or educational events.
- ▶ Do invite a student-athlete into your home for an occasional meal.
- ▶ Do contact the NU Athletic Compliance Office for approval prior to a student-athlete engaging in outside speaking or promotional activities.
- ▶ Do pay a student-athlete the commensurate rate for actual and legitimate employment.

For further information regarding NCAA Guidelines for Athletic Representatives, please contact the athletic compliance office at (402) 472-2042 or 1-(800) 927-7220. Inquiries may also be mailed to the athletic compliance office at One Memorial Stadium, Lincoln, NE 68588-0219 or faxed to (402) 472-4609 or e-mail at compliance@huskers.com.

The Big 12 Conference

Fresh off its 10th anniversary season, the Big 12 Conference begins its second decade of competition in 2006-07. While there have been many proud accomplishments through the first 10 years, the conference and its members anticipate continued success.

Through its first 10 years, the Big 12 claimed 28 team and 310 individual NCAA titles. During the 2005-06 season, conference programs captured national championships in football (Texas), women's indoor track & field (Texas), wrestling (Oklahoma State) and men's golf (Oklahoma State). In addition, 12 individual event titles were also won by student-athletes that compete in the Big 12.

Kevin Weiberg
Commissioner

The Big 12 leads all conferences with five appearances in the BCS National Championship game. A Big 12 team has played for the football national championship five of the last seven years. In basketball, an unprecedented eight men's and women's basketball teams have advanced to their respective Final Fours in the past five seasons, as the Big 12 continues its place among the elite intercollegiate athletic conferences.

The 2005-06 campaign marked another successful season for Nebraska. The Huskers captured the Big 12 volleyball crown for the eighth time, while the baseball team and the men's and women's track and field programs added four runner-up finishes. Nebraska was academically impressive as well, posting a Big 12-leading 11 CoSIDA Academic All-America awards and a total of 126 Academic All-Big 12 selections across all sports.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Competitive excellence, scholarships and sportsmanship are all equal components of the Big 12's philosophy. All-Big 12 teams and All-Big 12 academic squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman-of-the-Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year. A total of 153 scholars have received more than \$845,000 in postgraduate financial aid through the first nine years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track and field, swimming and diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track and field, outdoor track and field, soccer, softball, swimming, tennis and volleyball.

The conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include Baylor, Colorado, Iowa State, Kansas, Kansas State, Missouri, Nebraska, Oklahoma, Oklahoma State, Texas, Texas A&M and Texas Tech.

The institutions created a league that encompasses seven states, over 42 million people and more than 18 million television households within its geographic footprint.

The conference conducts championships for 20 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the prestigious Bowl Championship Series.

The Big 12 is under the direction of its third commissioner, Kevin L. Weiberg, who took over in December 1998. Weiberg has led the Big 12 into additional football bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN, FSN, TBS and CSTV.

In its 10-year history, the conference has distributed \$807.2 million to its 12 member institutions.

The Big 12 staff administers to over 4,600 student-athletes in 21 sports. The conference headquarters moved to Irving, Texas, from Dallas in August 2006.

2007 Schedule Notes

- ▶ Nebraska will play at least 18 games against 12 teams that earned NCAA Tournament bids in 2006. The Huskers will also play four games against three teams that advanced to Super Regional play last season (Texas, Florida State and California).
- ▶ NU will play at least two regular-season contests against teams that advanced to the 2006 NCAA Women's College World Series.
- ▶ Nebraska will play at least 12 regular-season games against teams ranked in the final 2006 USA Today/NFCA Coaches poll. The Huskers will also play three contests against top-10 teams.
- ▶ The Huskers will play in the NFCA Leadoff Classic at Columbus, Ga., for the 12th straight year. NU won its first NFCA title in 2002. NU has a 28-20 all-time record at the tournament and went 2-0 in 2006, including a 21-1 win over Illinois before rain shortened the event.
- ▶ Nebraska will play regular-season games in nine states in 2007. The Huskers are scheduled to play 21 home games at Bowlin Stadium after finishing 20-1 at home in 2006. The 21 home games would tie the 2006 mark for the most home contests in a season and would be just the sixth time NU has hosted 20 or more games in a single season.
- ▶ The Women's College World Series will be held in Oklahoma City, Okla., for the 10th straight year and the 16th time overall. The 2007 WCWS will mark the third year the championship will be decided in a three-game series, instead of one winner-take-all game.

Big 12 Schedule Notes

- ▶ The 2007 campaign marks the 12th season of Big 12 softball. In 2006, six of the league's 10 teams participated in the NCAA Tournament, including Baylor, Kansas, Nebraska, Oklahoma, Texas and Texas A&M.
- ▶ Against members of the Big 12, Nebraska owns an all-time record of 311-207 (.600). The Huskers have won 12 conference titles in school history, including six Big 12 crowns in the first 11 years of the league.
- ▶ Five conference schools finished the 2006 season ranked in the top 25, including Texas (fifth), Nebraska (14th), Oklahoma (tied for 18th), Baylor (20th) and Texas A&M (22nd).
- ▶ The 2007 Big 12 Championship will be held in Oklahoma City, Okla., at ASA Don E. Porter Hall of Fame Stadium for the 11th consecutive year. The stadium also plays host to the WCWS.
- ▶ This year's Big 12 Championship will feature a new format. Play will begin a day later, as the championship starts on Thursday, instead of Wednesday. Play will then be single-elimination for all games, with the winners on each side of the bracket facing each other in Saturday's nationally-televised final.

Huskers Set Sights on Championship Season in 2007

Conventional wisdom in sport dictates that defense wins championships. In the world of collegiate softball, where dominant pitching is a staple of the sport's top teams, it would appear that is most definitely the case.

The 2007 Nebraska softball team certainly hopes that old adage proves true, as the Huskers look for their outstanding pitching staff to lead them to a Big 12 Conference championship, as well as NCAA Regional and Super Regional crowns.

In 2006, seven of the eight teams that qualified for the Women's College World Series ranked in the top 14 nationally in ERA, including four squads that ranked in the top seven. Nebraska, which advanced to the regional final, boasted a stellar staff last season, finishing 20th nationally with a 1.65 ERA.

NU Head Coach Rhonda Revelle knows how vital a talented pitching staff can be, as solid pitching has been a trademark of her program. Nebraska has produced an All-Big 12 pitcher in each of the last 10 seasons dating back to 1997. That pitching prowess has helped lead the Huskers to 12 consecutive NCAA Tournament appearances and a pair of WCWS berths since 1995. Revelle hopes this staff – which she considers among the deepest in program history – will lead Nebraska back to Oklahoma City.

"I think the pitching staff is really going to be the lifeline for the program this year because any one of the three pitchers can win any game," Revelle said. "I feel confident any of them could beat any team and that's very comforting to know. Individually, they all have improved their game."

Led by senior right-hander Ashley DeBuhr, a two-time All-Big 12 and All-Midwest Region selection, the Huskers return every pitcher from last year's squad that ranked second in the Big 12 Conference in wins and third in ERA. That staff also featured Molly Hill, who set a single-season school record with a .900 winning percentage after finishing with an 18-2 record as a freshman.

A potential All-American, Ashley DeBuhr seeks her third consecutive All-Big 12 honor in 2007.

A trend among Husker hurlers in recent years has been the impressive improvement of a pitcher from their freshman to sophomore season. Hill is expected to take her game to another level to give the Huskers a formidable 1-2 punch with DeBuhr.

The staff is further bolstered by the addition of another talented pitcher, freshman Alex Hupp, who earned first-team high school All-America honors from the National Fastpitch Coaches Association in 2006.

The pitching appears to be in place, but the Huskers' biggest challenge this season may be finding production outside of the circle. Seniors Devin Porter and Jamie Waldecker return after earning all-conference accolades in 2006, and promise to provide a potent punch in the middle of the NU order. While Nebraska also returns its top home run hitter from a year ago in second-team All-Big 12 pick Crystal Carwile, the lineup could feature as many as six players with fewer than 75 career at bats.

The inexperience of the NU hitters illustrates another interesting aspect of this season. Four of the Huskers' five seniors have started at least 80 games through their first three seasons, including DeBuhr in the circle. In fact, Nebraska's three senior position players have combined to start 431 games in three years.

While the seniors are proven producers who have been through the rigors of a demanding season, the majority of the Huskers' roster is inexperienced. Two-thirds of the roster – 10 of 15 players – enters the 2007 campaign with no more than one season of experience at the Division I level, including four newcomers.

NU will rely heavily on newcomers in the outfield, where Nebraska lost all three starters from last season. With senior Jaime Borg switching to the outfield after serving as a pitcher the last two seasons, NU now has five outfielders listed on its roster. Including Borg, those five players have combined for 19 starts and 38 at bats at the Division I level.

The production of the underclassmen and their ability to adjust to the higher level of competition may be a major factor in determining just how far Nebraska can go this season. That brings Revelle back to the pitching staff, which she hopes can be a stabilizing factor for the team as the younger Huskers gain experience early in the season.

"The coaches are spending a lot of time talking about how to maximize our offense. There are areas where we do not have a lot of experience – it's not that we lack talent, we lack experience at this point. Part of the fun is to create our offensive identity. I think our defense and pitching have experience. When you can come out and shut out teams, it really speaks volumes to giving your offense time to get going."

Even with all of the questions and all of the inexperience, Revelle points to the overall talent level and work ethic of her team as reasons why the Huskers have high hopes for the 2007 season.

"I've always said I've never known teams in the country and the conference that talk about Nebraska right out of the gate," Revelle said. "I think we're in better shape to make a run at the Big 12 trophy than we were even last year. Our goals are really to work to put one or two of those Big 12 trophies in our trophy case and position ourselves to be a No. 1 seed for the NCAA Tournament. It's a real goal of this team to be a No. 1 seed."

The Pitchers

The strength of the 2007 Huskers is the pitching staff. Nebraska returns all three pitchers from last year's team that ranked third in the Big 12 Conference and 20th nationally with a 1.65 ERA. Anchoring the staff is Ashley DeBuhr, who earned second-team All-Big 12 honors in 2005 and first-team accolades last season. In 2006, the staff tossed 16 shutouts in 56 games, an average of nearly one shutout every three games.

DeBuhr finished last season with a 26-10 record and a team-best 1.50 ERA. DeBuhr dominated her opposing lineups, limiting hitters to a meager .177 average while posting 304 strikeouts to become the first player in school history to record 300 strikeouts in more than one season. DeBuhr is poised for her best season, as she has shown steady improvement every year. The Beatrice, Neb., native lowered her ERA by 1.96 from her freshman to sophomore season and by 0.34 from her sophomore to junior season, while her number of shutouts has increased from one in 2004 to seven in 2005 to 12 last season.

Sophomore Molly Hill also returns to give the Huskers two All-Big 12-caliber pitchers. Hill set a school record by posting a .900 winning percentage in finishing 18-2 in her rookie season, while tossing 145.1 innings and posting a 1.83 ERA. A native of Wayne, Neb., Hill struck out 172 batters to team with DeBuhr and post the second-highest team strikeout total in school history. Revelle expects Hill to be even stronger this year with a season of experience under her belt and an offseason of work dedicated to making Hill the best pitcher she can be.

The newcomer to the staff is freshman Alex Hupp, who set a slew of school records at Olathe (Kan.) East while earning first-team high school All-America honors. Hupp performed well in her first collegiate action during Nebraska's three-week fall schedule. She finished with a perfect 3-0 record and a 0.91 ERA, while tossing a two-hit shutout against 2006 Big 12 Champion Kansas and a one-hit shutout against Western Michigan in her final two outings of the fall. Hupp provides the Huskers with a strong third option as a starter and is an ideal candidate for relief work as well.

Two of the Huskers' pitchers could also play a role in the Nebraska offense. DeBuhr and Hupp will be given the opportunity to hit when they pitch, and Hupp will also compete for playing time as the designated player. While Hupp figures to be a regular in the lineup, DeBuhr could be as well, in addition to pinch-hitting duties. Hupp set numerous school records at Olathe East, including the single-season and all-time home run marks, while DeBuhr hit .267 with a home run and eight RBIs in 2006 for Nebraska.

The Outfielders

The outfield promises to be the most competitive position in 2007, as Nebraska lost all three of its starting outfielders from last season, including two of the top three batting average leaders. Of the five outfielders on the Husker roster, only sophomore Meghan Mullin has seen game time in the outfield at the Division I level, as all of the potential outfielders are underclassmen, with the exception of senior Jaime Borg, a converted pitcher. Speed is the strength of the group, which should prove to be an asset both defensively and offensively.

NU Returns Five Starters, Including Three All-Big 12 Selections

Mullin appeared in 38 games last year, including 12 starts. She saw limited action in the field last season, as she had only three chances. Offensively, Mullin is a candidate to fill a slapper role in the Husker lineup, as Nebraska graduated both of its All-Big 12 slappers that hit 1-2 in the order in 2006. Mullin batted .250 in only 24 at bats last year, but showed great bat control and plate discipline as she coaxed seven walks en route to posting a .438 on-base percentage, while only striking out once in 32 plate appearances. A native of Mesa, Ariz., Mullin appears to have the early edge to win the starting spot in right.

In center field, the Huskers hope freshman Crystal Gonzalez will take control of the position and make a quick adjustment to the Division I level. Gonzalez has a leg up on most freshmen as she routinely played against top-level talent in California, while also gaining valuable experience as a member of the ASA national champion Corona Angels club team. Labeled as "probably the best defensive outfielder in Southern California," by the Los Angeles Times, Gonzalez hit .404 with 21 runs scored and nine RBIs as the leadoff hitter for Diamond Bar High en route to garnering all-star honors from the publication in her senior season. Arguably the fastest player on the team, Gonzalez is also a candidate to fill the important role of slap hitting at the top of the NU order.

Sophomore Darcy Rutherford and newcomer Haley Long will compete for the starting job in left field, in addition to challenging Mullin for playing time in right. Rutherford saw limited action as a freshman for the Huskers in 2006, mainly appearing as a pinch runner. Although she saw no time in the outfield last year, Rutherford scored four runs and added a stolen base, while finishing 0-for-3 on the season. An Omaha native, Rutherford worked hard in the offseason to improve her game and her speed should help her contribute to NU's chances in a variety of ways this season.

Long is in her first year with Nebraska after spending her freshman season at Blinn College in Texas. The final addition to this year's newcomer class, Long decided to join the Huskers in the summer of 2006. In her lone season at Blinn, Long hit .355 with 43 runs scored, five doubles, 33 RBIs, 18 stolen bases and a team-best 10 triples. The first Texas native on Nebraska's roster since 1999, Long also has experience in right field, which was her primary position at Blinn.

After pitching the last two seasons, Borg returns to the outfield where she began her Husker career. Borg will compete for starting time not only in the outfield but in the designated player role, as well as being utilized as a key pinch-hitter and pinch-runner. A Lincoln native, Borg finished with a .429 on-base percentage while seeing the most action of her career in 2006.

The Infielders

The Huskers' 2007 infield will be filled with familiar faces, as NU lost only one starter from last season. That one loss was key, however, as Jessica Joachim had the ability to play both third and second base while earning three consecutive first-team All-Big 12 awards. Among the candidates to take Joachim's place at second base are a true freshman and a sophomore with only eight games of experience.

While the starter at second is not known, the coaching staff can still pencil in an experienced and talented group around the diamond. Senior Carmen Kier will start at third, while fellow seniors Jamie Waldecker and Devin Porter will start at catcher and shortstop, respectively. The trio of Kier, Waldecker and Porter have combined to start 431 games in their first three seasons, while also teaming up to produce a total of three All-Big 12 awards. Each player is comfortable at her position after extensive experience and offensively, each member of the trio ranked in the top three in home runs for the Huskers in 2006.

Behind the plate, Waldecker is a two-time All-Big 12 selection who excels offensively and defensively. While earning second-team all-league honors last season, Waldecker saw her batting average increase by .022 points from her sophomore season and .034 points from her all-conference freshman season. One of the top power hitters on the team, Waldecker ranked third on the team with five home runs and ranked second with a career-best 37 RBIs. A native of Garden Grove, Calif., Waldecker hit in the No. 3 spot in 2006 and is again expected to be a middle-of-the-order hitter this season. Defensively, Waldecker possesses one of the best throwing arms in the nation, as opposing base runners have tested her just 62 times over the last two seasons, and have only been successful on 38 of those attempts (61 percent).

Porter, a fellow senior California native, enters her fourth season as the starting shortstop for Nebraska in 2007, and has started 169 games at the position. Porter has shown dramatic improvement through each of her first three seasons. After hitting .111 as a freshman with no home runs and 10 RBIs, Porter batted .209 with one homer and 23 RBIs as a sophomore in 2006. Last season, Porter enjoyed a breakout season, hitting .277 with eight home runs and 27 RBIs. She led NU with a .360 average in league games en route to earning second-team All-Big 12 honors. Porter is a candidate to bat leadoff for Nebraska this season, as she is a solid contact hitter who only struck out 16 times in 141 at bats while posting a .388 on-base percentage last season. Defensively, Porter boasts a terrific arm and has improved defensively every season, committing half as many errors in 2006 (8) as she did in 2005 (16).

Anchoring the left side of the infield with Porter is Kier. A native of Renton, Wash., Kier enters her second full season as the starter at third base. After splitting time in the field and as the designated player in her first two years, Kier started all 56 games at third last season. A patient hitter with power to all fields, Kier homered a career-high five times in 2006 to rank third on the team. Kier also scored 23 runs and added 19 RBIs. In her career, Kier has drawn 38 walks and averages one walk every seven plate appearances. Her patience has helped her post an on-base percentage of .340 or better in two of her first three seasons.

The final returning starter on the infield is sophomore first baseman Crystal Carwile, who exploded onto the scene as a freshman in 2006. Carwile posted incredible numbers both offensively and defensively. At the plate, she hit .273 while batting cleanup for Nebraska, leading the team with 12 home runs and 41 RBIs. Her 12 home runs were just one shy of the NU freshman record, and she became the first Husker freshman to drive in 40 or more runs since the 2001 season.

Carwile belted five of her 12 home runs in Big 12 Conference play to rank second in the league and earn second-team all-conference accolades. Defensively, Carwile committed just two errors in 353 chances for a fielding percentage of .994, which ranked eighth all-time in school history. Carwile missed all of the Huskers' fall season after recovering from offseason shoulder surgery, but she is expected to be at full strength for the 2007 season.

Competing for the open job at second base will be sophomore Kimberly Fuller and freshman Whitney Barrett. Fuller appeared in eight games last season, including one start at short. She went 2-for-11 in limited action at the plate, but also produced a pair of walks and two RBIs, as well as a .357 on-base percentage. The first Hawaiian in program history, Fuller has worked hard on her game and has a slight edge in experience over Barrett in the competition for the starting spot.

Barrett enters the 2007 season as somewhat of an unknown. The coaches caught a glimpse of Barrett's potential during the fall season, but an injury limited her to defensive and pinch-running duties only in the exhibition season. A Wetumpka, Ala., native, Barrett brings great range to second base after earning first-team all-state honors as a shortstop in her senior season of high school. In her final year at Wetumpka High, Barrett hit .475 with 56 runs, 35 RBIs, 15 doubles, five home runs and 41 stolen bases.

Sophomore Brittany Pascale will serve as the Huskers' backup catcher, in addition to competing for the starting designated player role and as Carwile's backup at first base. A potential middle-of-the-order hitter, Pascale hit .230 in her freshman season but showed a knack for getting the clutch hit. Pascale produced eight RBIs on the year, including two game-tying RBIs in the seventh inning of games NU went on to win in extra innings. A Frankfort, Ill., native, Pascale also posted a .344 on-base percentage and was perfect in the field in 77 chances while throwing out 3-of-9 would-be base stealers.

Devin Porter returns for her senior season after hitting .277 with eight home runs to earn second-team all-conference accolades in 2006.

Nebraska Notes

17 NCAA Bids and Counting

Nebraska softball is in an elite class when it comes to postseason play. The Huskers are one of nine teams to appear in the past 12 NCAA Tournaments. NU also has a history of earning high seeds in the tournament. In the eight seasons prior to the format switch that occurred in 2005, Nebraska earned a No. 2 seed or higher in the NCAA Regional every season. The only other teams that accomplished that feat were Arizona, Michigan, Oklahoma and Washington.

Overall, NU has earned 17 NCAA Tournament bids, tying Texas A&M for the most NCAA berths of any Big 12 school. The Huskers have advanced to the College World Series seven times, the most of any school in the league.

Nebraska also has a strong history of hosting regionals at Bowlin Stadium. The Huskers have been awarded an NCAA Regional in three of the last four years.

Head of the Class

Nebraska leads all Division I softball programs with 24 CoSIDA Academic All-America awards won by 17 players, including a nation-best two selections in 2006.

NU is the only school with more than 20 academic All-America awards, and the only Big 12 school ranked in the top 10. The College of New Jersey boasts 18 selections to rank second in the nation.

Ranking Near the Top

Nebraska finished the 2006 season with a No. 14 final ranking in the USA Today/NFCA Coaches poll. The final ranking marked the 12th consecutive season the Huskers finished the year among the top 25. Nebraska is one of only six teams in the nation - and one of only two in the Big 12 Conference - to be ranked in the final poll in each of its 12 years of existence.

Head Coach Rhonda Revelle is nearing her 600th career victory and 600th win at Nebraska.

Big 12 Dominance

By capturing both the Big 12 regular-season and tournament crowns in 2004, the Nebraska softball program held the most conference titles of any school in the league. The Huskers now rank second with six Big 12 titles, one behind league-leading Texas.

NU has won a league-high three regular-season championships and three tournament titles.

Nebraska is also the only school to boast a perfect season in league play since the Big 12 was formed in 1996. The Huskers went 16-0 in 1998.

On the coaching side, Head Coach Rhonda Revelle owns at least a .500 career record against every coach in the Big 12 Conference. In fact, Revelle owns a winning record over each of her Big 12 peers, with the exception of Iowa State's Stacy Gemeinhardt, whose Cyclones posted a 1-1 record against Nebraska in 2006, Gemeinhardt's first year as a head coach.

Program Stability

Nebraska softball is renowned for its tradition and one of the Huskers' richest traditions is program stability. Nowhere is this highlighted more than looking at NU Head Coach Rhonda Revelle and Associate Head Coach Lori Sippel.

Revelle is in her 15th season at the helm of the Husker program, while Sippel enters her 18th year in Lincoln. Both coaches also played for Nebraska, with Revelle enjoying a three-year career and Sippel starring for four years.

In fact, Revelle and Sippel have combined to be a part of 860 of Nebraska's 1,028 all-time victories (84 percent).

Huskers Lead in Graduation Rate

Nebraska's exhausted eligibility rate among all sports reached 94 percent in the latest rates released by the NCAA in November of 2006. The Huskers' rate was the best in the Big 12 Conference for the fourth consecutive year.

Softball has done its part, as Nebraska graduated five players in 2006, including three Huskers who earned their degrees before completing their playing eligibility.

Endowed Scholarships

On Aug. 14, 2006, the Nebraska softball program proudly announced the endowment of the Julie Geis Memorial Scholarship. The scholarship, awarded annually to a member of the softball team, is the Huskers' second fully endowed scholarship, along with the Richard Raimondi Memorial Scholarship.

Husker softball now has the only two fully endowed scholarships for female athletes at Nebraska.

Huskers Excelling in the Pros

Three former Huskers were named all-stars in the National Pro Fastpitch (NPF) in 2005, the only season the league held an all-star game. The Huskers' total of three players in the game trailed only UCLA for the most selections among all colleges and universities in the nation.

Former Huskers Peaches James (2001-04), Nicole Trimboli (2001-04) and Anne Steffan (2002-05) were each named all-stars.

The trio teamed up to lead the Chicago Bandits to a league-best regular-season record in 2006, with Steffan earning All-NPF honors after finishing second in the league with a .400 average.

Olympic Connections

Associate Head Coach Lori Sippel was named Head Coach of the Canadian National Team in March of 2005 and will lead the Canadians in the 2008 Olympic Games.

In her short tenure as head coach of Team Canada, Sippel has already guided the Canadians to great success. At the World Cup of Softball in July of 2005, Sippel led the Canadians to a 2-1 upset of the United States, handing the Americans their first loss in international play since 2002.

This past summer, Sippel led her team to a runner-up finish at the Canada Cup and a third-place finish at the II World Cup of Softball. She then took her squad to the World Championship in Beijing, China, where Team Canada secured an automatic berth in the 2008 Olympics by virtue of a fifth-place finish.

One of Sippel's star players is former Husker Sheena Lawrick, who was selected to the 2004 Canadian Olympic Team despite recovering from a torn anterior cruciate ligament when the team was announced. A native of Calgary, Alberta, Lawrick started two games for the Canadians, who finished the Olympics with a 3-4 record, tying for the country's best showing ever. Lawrick also produced both RBIs in Canada's upset victory over Team USA in 2005.

Home Sweet Home

The Husker softball team continued to receive tremendous fan support in 2006. Nebraska ranked 10th in the nation in Division I softball attendance with an average of 626 fans per game. NU was one of 15 schools to draw 10,000 or more fans and one of only three schools to reach the mark in 16 or fewer home games.

The thousands of fans that passed through the gates of Bowlin Stadium were not only treated to great softball, but watched the game from one of the top stadiums in the nation. In addition to its many fan amenities, Bowlin Stadium and its tremendous playing surface was named the 2004 SportsTurf Managers Association Field of the Year.

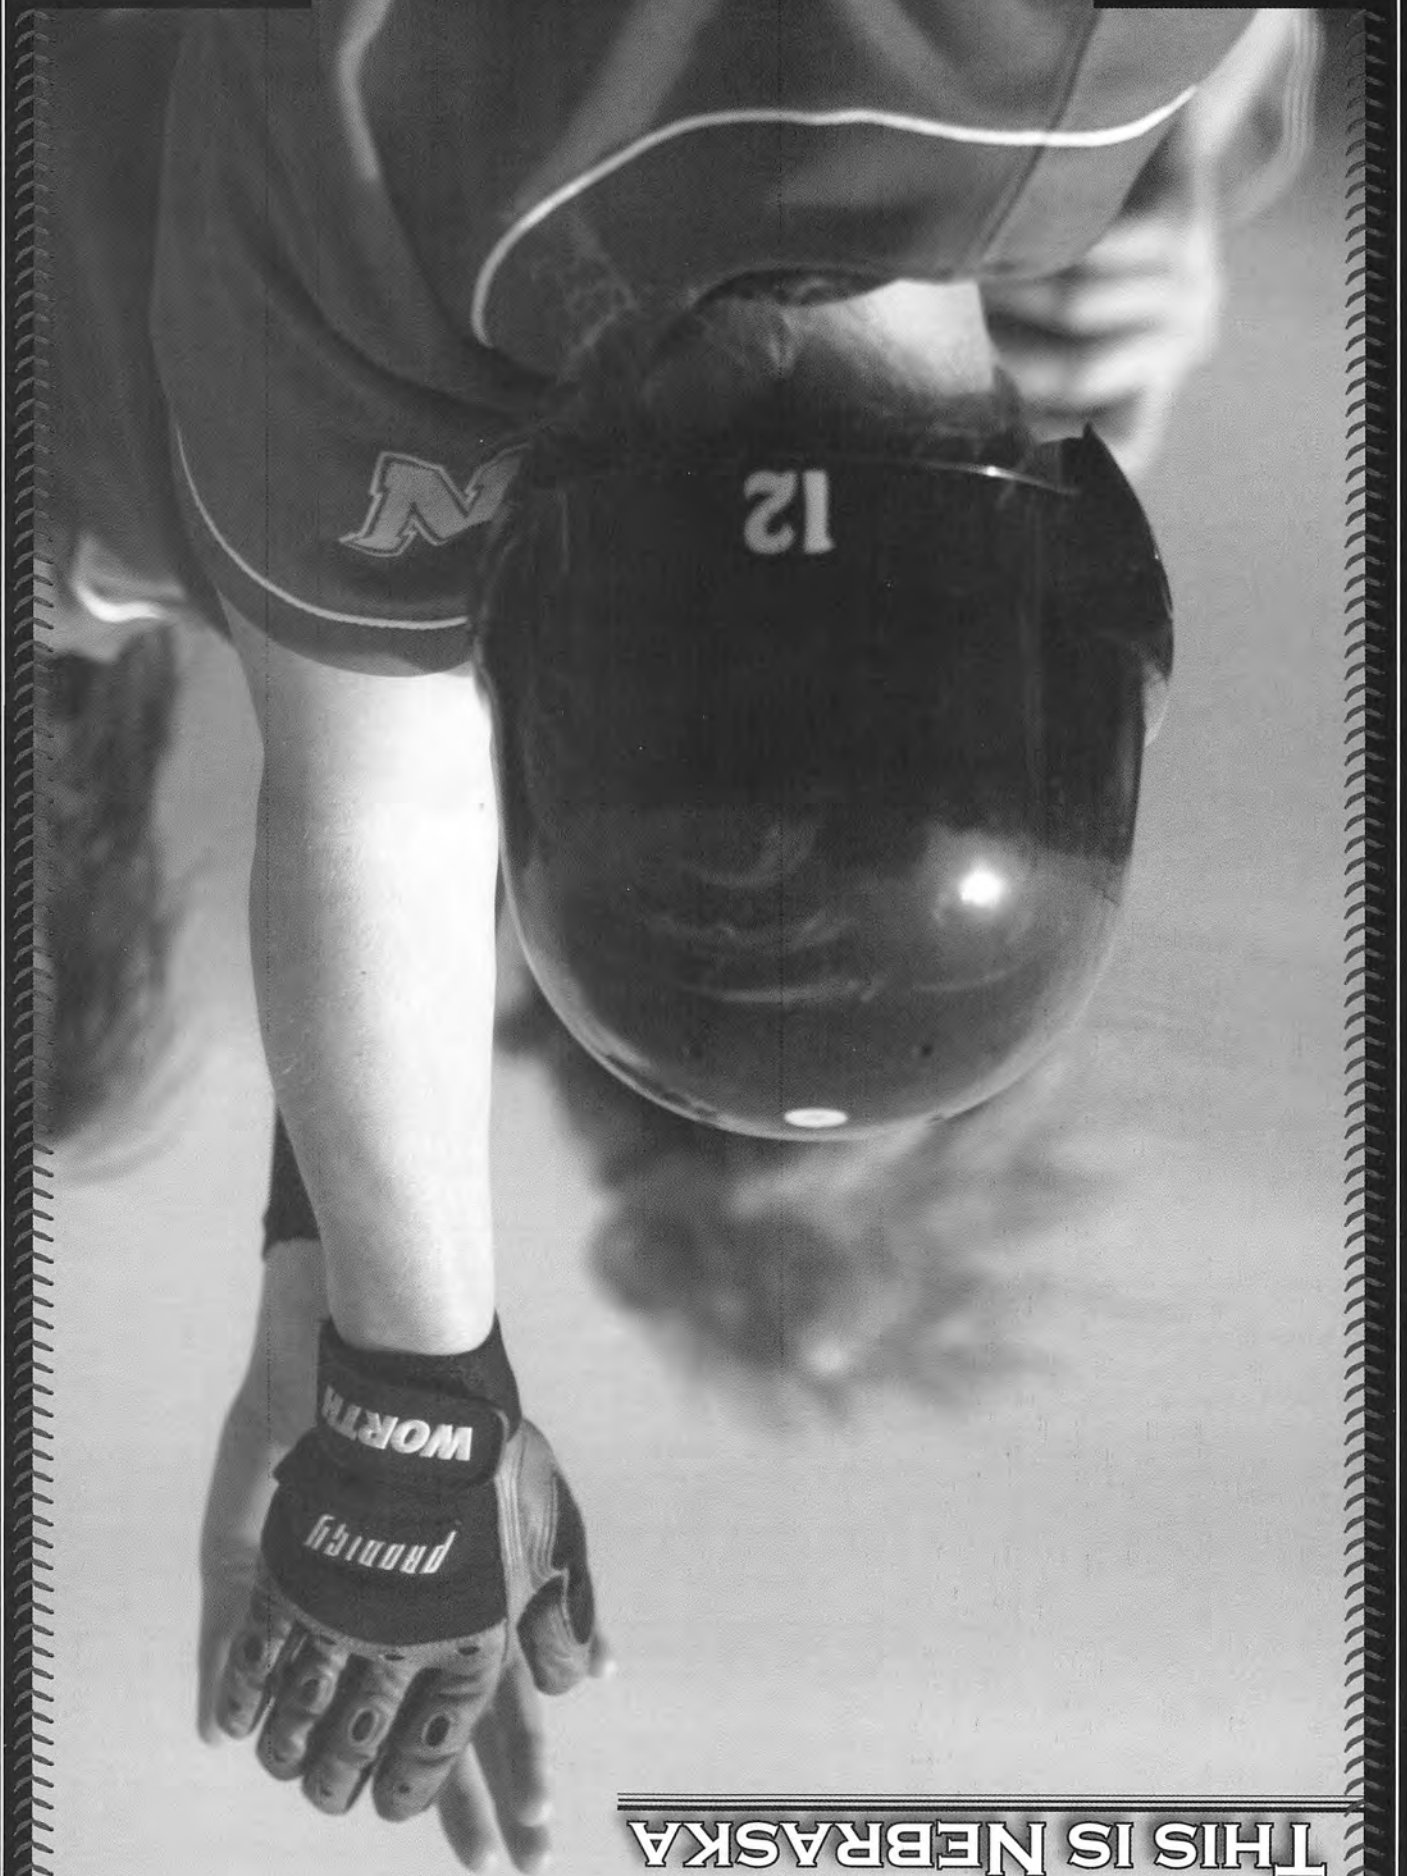

Tough Schedule Ahead

Nebraska has grown accustomed to playing one of the toughest schedules in the nation, and 2007 will be no exception. NU will play at least 18 games against teams that earned 2006 NCAA Tournament bids.

The Huskers will also play at least four regular-season contests against teams that advanced to Super Regional, including a pair against Women's College World Series participant Texas.

Nebraska will also play at least 12 regular-season games against teams ranked in the top 20 of the 2006 USA Today/NFCA Coaches poll.

Bowlin Stadium

Located on 32 acres one-half mile west of the NU campus, Haymarket Park is a one-of-a-kind facility financed by the City of Lincoln, the University of Nebraska and Nebco Inc., for the Nebraska softball and baseball teams, as well as the Lincoln Saltdogs, an independent professional baseball team.

The Huskers call Bowlin Stadium home and the stadium is widely recognized as one of the top facilities in the nation. The field was honored as the 2004 College/University Division Field of the Year by the SportsTurf Managers Association.

Bowlin Stadium can accommodate up to 2,500 fans. It features 750 chairback seats with an up-close view of the action, as well as berm seating behind both dugouts and in the outfield. Bleacher seating also exists on the first base concourse.

Bowlin Stadium is part of the Haymarket Park complex that was built for \$29.53 million in 2001. The complex includes medical and laundry facilities, coaches' offices and team lockers and lounges for the softball coaches and players, all of which are located in the softball office building overlooking the field.

The most talked-about feature at Bowlin Stadium is the SubAir system. The system can both heat and cool the field, allowing green grass to be grown nearly year-round. Haymarket Park and Bowlin Stadium was one of the first facilities in the country equipped with the SubAir system. When it was installed, only Invesco Field at Mile High in Denver was equipped with the SubAir system.

Bowlin Stadium also features a spacious, two-level press box with three radio and television booths.

No stadium is complete without the support of the home fans. The Husker softball team has always received tremendous support, especially in the five years since Bowlin Stadium opened. In each of the last five seasons, Nebraska has ranked in the top 10 nationally in average attendance.

The Huskers have drawn at least 10,000 fans in each of the five seasons since Bowlin Stadium opened in 2002. The support of the home fans has helped Nebraska defend its home field, as the Huskers went 20-1 at Bowlin Stadium in 2006, tying the school record for most home victories in a single season.

Nebraska's best attended season came in 2004. That season, the Big 12 champion Huskers ranked fourth nationally with an average of 955 fans per game. NU was one of only four schools to total more than 15,000 fans and Nebraska finished third in total attendance with 19,103 fans.

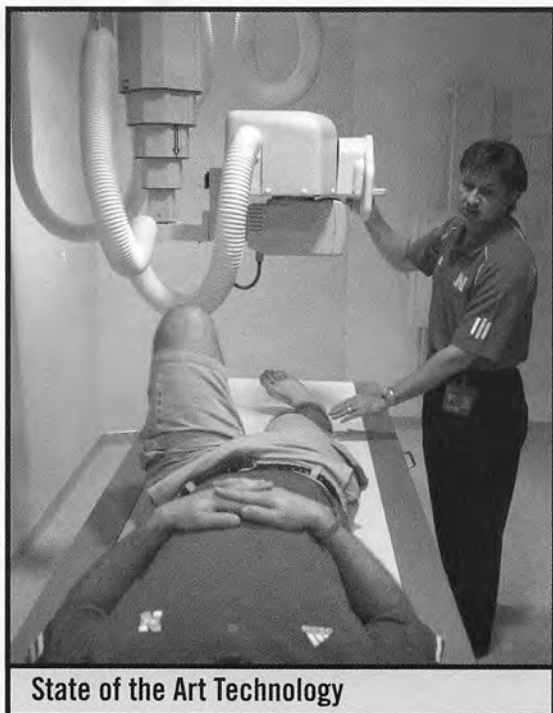

Championship Facilities

In addition to Bowlin Stadium, the Nebraska softball team enjoys several first-class support facilities, including the new Tom and Nancy Osborne Athletic Complex and Hawks Championship Center.

The Tom and Nancy Osborne Athletic Complex opened in the Fall of 2006 to provide Nebraska with the finest athletic facilities in the nation. The Osborne Complex serves as the new home of Nebraska's Strength Complex, Athletic Medicine Center and NU's administrative offices. The Osborne Complex was part of a \$50 million expansion to Memorial Stadium, which also increased the capacity of the stadium by nearly 6,500 seats, above 80,000 for the first time in history.

The Charles and Romona Myers Performance Center offers the best training ground in the country for student-athletes. Housed within the spacious center are the Huskers' sparkling new weight room and athletic medicine facilities. Nebraska's new Athletic Medicine Center features one of the most comprehensive rehabilitation areas in the nation. The new Nebraska Strength Complex is approximately 50 percent larger than the previous weight room located in the West Stadium. The Strength Complex is just steps away from the Athletic Medicine Center, as well as a skybridge connected to the Hawks Championship Center.

Hawks Championship Center

Nebraska's new Hawks Championship Center (bottom) opened for the softball team in 2006. The magnificent facility features FieldTurf that looks and feels like real grass. The Hawks Center provides the Huskers with a perfect indoor practice facility that also includes eight batting cages (below). The indoor center is connected by a skybridge to the new Tom and Nancy Osborne Athletic Complex to give Nebraska the best all-around athletic facilities in the nation.

In 2004, Nebraska embarked on a major facilities project that included the Tom and Nancy Osborne Athletic Complex and the Hawks Championship Center.

The Hawks Championship Center provides a climate-controlled indoor practice facility for all of Nebraska's 23 varsity sports to train and condition.

The Championship Wing of the Hawks Center features eight indoor batting cages. The cages are motorized so they can be raised or lowered mechanically.

"There's a real clear message when you step into the North Stadium complex. You're here to be a champion. You're here to succeed. You're here to be the very best."

Academic Success

The success of Nebraska athletes reaches far beyond athletic competition. More Husker student-athletes have been selected to CoSIDA Academic All-America teams than from any other school in the nation, and more Huskers have earned academic all-conference honors than athletes from any other league school. NU has led the Big 12 in graduation rates in six of the conference's first 10 years.

Nebraska Academic Highlights

Nebraska has the highest number of first-, second- and third-team CoSIDA Academic All-Americans in the nation with 235, 57 more than any other school. NU has had 118 of those earn first-team honors, including 67 since 1990.

Nebraska softball leads the nation with 24 CoSIDA Academic All-Americans and is the only school with 20 or more honorees. The Huskers also had a nation-high two selections in 2006.

A total of 15 Husker student-athletes, including a nation-leading nine NU football players have earned the NCAA Today's Top Eight Award. Most recently, NU women's gymnast Richelle Simpson claimed the honor in 2005.

NU boasts a 94 percent Exhausted Eligibility Graduation Rate for student-athletes.

In 2005, Nebraska received the National Consortium for Academics and Sport Award of Excellence for highest combined total in community outreach and degree completion.

Nebraska student-athletes earned 126 academic all-conference awards across all sports, including four members of the softball team.

Assessments are administered during new student-athlete orientation to help determine your strengths and areas for improvement. Results allow academic counselors to develop a personalized academic support program and team.

Tutorial Support

A tremendous resource for all academic abilities, unlimited tutorial support is available from day one up to college graduation. Subject and mentor tutors help provide academic support and study strategies to be successful.

Supplemental Instruction

A sub-component of the tutorial program, targeted group review sessions help ease the adjustment to college academics while building academic self-esteem.

Academic Supervision

Ten professional academic counselors are in place to monitor daily academic progress, receive consistent course feedback and monitor athletic eligibility.

Computer Resources

Student-athletes enjoy a state-of-the-art computer lab with nearly 50 computers and professional supervision. Laptops are also available during team travel.

Producing Outstanding Leaders | KoKo Tacha

Former Husker KoKo Tacha has taken full advantage of the tremendous support system at Nebraska. As a member of the softball team from 2003 to 2006, Tacha was a third-team CoSIDA Academic All-American in her final season. She was also selected as the 2006-07 president of the Student-Athlete Advisory Committee and was one of only 357 student-athletes nationwide selected to attend the 10th Annual NCAA Leadership Conference in the summer of 2006.

Teams compete for the annual Life Skills Award honoring the team that was the most committed to all aspects of life skills education and programming initiatives.

Personal Counseling

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. Counseling referrals are also made if necessary to mental health professionals at the University Health Center.

Multi-Cultural Support

Designed to enhance cultural awareness, staff members concentrate efforts on issues of transition, adjustment and retention for students of color, international students and women.

Student-Athlete Advisory Committee

A leadership student group featuring representation from every Husker team that has continuous communication with athletic administrators, the Big 12 Conference and NCAA staff.

Husker Outreach Program

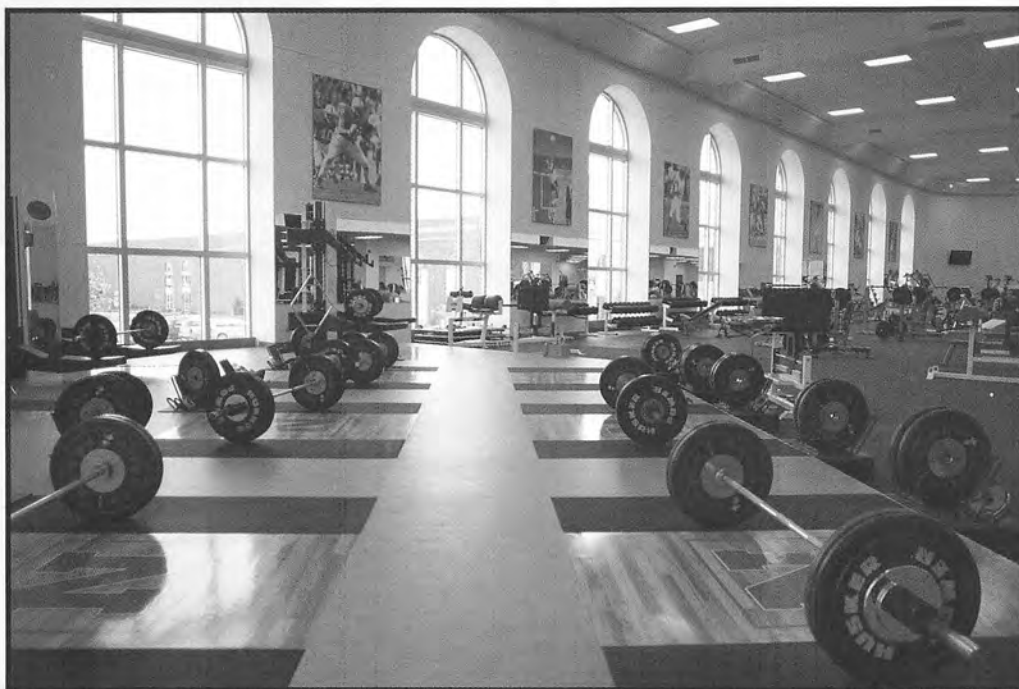

Involvement and leadership are priorities at Nebraska. Student-athletes can choose from more than 20 outreach programs ranging from hospital visits to motivational assemblies. Nebraska student-athletes reach over 100,000 youth statewide on an annual basis.

Husker Power

Husker Power, the model strength and conditioning program in the nation, plays a large part in Nebraska's continued success. With eight full-time members and three interns and graduate assistants, Nebraska's Performance Team is one of the most intricate strength and performance organizations in the nation.

The new strength complex located within the Charles and Romona Myers Performance Center provides Nebraska student-athletes with the best facilities in the nation.

Melanie Raimondi

Lizzy Aumua | 2005-06 Scholarship Recipient

Lizzy Aumua was presented with the 2005-06 Richard Raimondi Memorial Scholarship on Oct. 14, 2005 by Dana Raimondi. Aumua made great use of the scholarship, earning her degree in sociology while garnering first-team CoSIDA Academic All-America honors.

Melanie Raimondi (left) was a member of the Nebraska pitching staff and earned four letters from 1994 to 1997. Originally from Fremont, Calif., Raimondi was a second-team academic All-Big 12 honoree in 1996.

Richard Raimondi Memorial Scholarship

In December of 2001, the family of former NU softball player Melanie Raimondi created the first fully endowed scholarship for a female athlete at Nebraska. The scholarship, which is named for her deceased father, Richard Raimondi, is awarded annually to a member of the Nebraska softball team. The recipients of the award have been: Amber Burgess (2002-03); KoKo Tacha (2003-04); Sheena Lawrick (2004-05); Lizzy Aumua (2005-06); and Meghan Mullin (2006-07).

"(Melanie) was never a star player, but her father was so proud of her being able to do that - get a Division I scholarship. He lived and breathed softball. He would have loved the new softball complex. I think he's going to be at every one of those games."

Julie Geis | No. 15 | Retired Oct. 12, 2001

A four-year letterwinner (1976 to 1979) for the Huskers, Julie Geis was a victim of the Sept. 11 terrorist attacks in New York City. Geis, who worked for the downtown Kansas City, Mo., office of Aon Consulting, Inc., was on the 105th floor of the World Trade Center south tower, where she was working during a week-long trip to New York. A native of Beaver Crossing, Neb., Geis earned a bachelor of science degree in education, a master's degree in educational psychology and measurements and a Ph.D. in education-administration. In Geis' memory, her No. 15 jersey became the third retired jersey in program history on Oct. 12, 2001.

Julie Geis Memorial Scholarship

The Nebraska softball program fully endowed the Julie Geis Memorial Scholarship in August of 2006 to give Husker softball the only two endowed scholarships for a female athlete at Nebraska. The scholarship is awarded annually to a Nebraska softball player. The recipients have been: Amanda Buchholz (2002); Peaches James (2003); Katie Linke (2004); Jaime Borg (2005); and Molly Hill (2006).

"Julie was the epitome of a Nebraska student-athlete. She grew up on the farm, worked hard, earned a scholarship, played ball and was very grateful for her education. She was a wonderful human being, a warm, generous and kind-hearted individual. It is truly an honor for the Nebraska softball program to retire her number (15) and carry out the desire of her family in establishing a scholarship in Julie's name."

Leading the Way

As one of the nation's premier public institutions, the University of Nebraska is committed to undergraduate learning and world-class research. In early 2001, Nebraska was named to a national list of 16 schools that serve as a role model for other institutions by the Association of American Colleges and Universities. Quality instruction is emphasized in Nebraska's 147 undergraduate majors, which are spread through nine undergraduate colleges.

The University of Nebraska was chartered by the Nebraska Legislature in 1869 as the state's public university and land-grant institution. Founded in Lincoln, the University of Nebraska was expanded in 1968 into a state educational system now comprising four campuses under the guidance of a Board of Regents and a central administration.

Lincoln, also known as the Star City, has been ranked among the 10 best places to live in the United States, and among the top five "most fit" cities in the nation. The Coach Callahan 5K Fun Run for Resources not only helped contribute to Lincoln's fitness level the past three years, it also raised money for diabetes research and the UNL Libraries. Nebraska's capital city, Lincoln's population of nearly 236,000 makes it the second-largest city in the Big 12 Conference. In addition to major entertainers, live stage theaters, art museums and galleries, Lincoln offers more than 6,000 acres of parks, including 10 lakes, 11 municipal swimming pools, more than 100 miles of biking and hiking trails and 12 public golf courses.

Christina Houghtelling of the Nebraska volleyball team was one of five Huskers to earn the highest athletic honors in their sports in 2005-06. Houghtelling was the AVCA National Player of the Year, while bowling's Lindsay Baker also captured National Player-of-the-Year honors. Men's long jumper Arturs Abolins won indoor and outdoor national titles, while Dace Ruskule won the NCAA crown in the women's discus. Kristina Fehlings added an NCAA individual title for the Huskers in the air rifle in 2006.

In each of the past two seasons, Nebraska has produced 37 individual All-Americans who captured 48 All-America awards in their respective sports.

Zac Taylor (left) ranked as one of the most efficient passers in the Big 12 Conference in 2006 while earning offensive player-of-the-year honors from the league coaches. Brittany Timko (right) became the first soccer player to win three consecutive Big 12 Player-of-the-Year accolades when she won the award in 2006. One of the world's top players, Timko has helped add to the tradition of Nebraska soccer, which has eight Big 12 Championships in 11 years.

In addition to Nebraska's amazing success at the national level, the Huskers have been a leader in the powerful Big 12 Conference during the last decade. Nebraska has captured 58 total team titles, including 19 championships in track and field, eight in volleyball, eight in soccer, seven in baseball, six in women's gymnastics, six in softball, two in swimming and diving and two in football.

Nebraska finished either first or second in the conference in eight sports, including a Big 12 volleyball title and a Great America Rifle Conference championship.

Women's Track & Field | 2005 Big 12 Indoor and Outdoor Champions

The 2005 women's track and field team swept both the indoor and outdoor Big 12 titles. The Huskers have dominated the Big 12 Championships, winning 19 titles in the first 10 years of the conference. The men have claimed a total of 12 conference crowns, while the women have won seven titles.

Huskers in the Pros

In 2006, a trio of former Huskers played professionally in the National ProFastpitch League. In 2005, five former Huskers played in the NPF, while five former players were on NPF rosters for the league's inaugural season in 2004. In all, Nebraska has produced a total of seven players who have gone on to play professionally in the NPF.

Nebraska has not only sent players to the next level, but those players have excelled. In 2006, former All-American Anne Steffan earned her second spot on the All-NPF team in as many seasons.

In 2005, Steffan was an all-star selection, along with former teammates Peaches James and Nicole Trimboli. The Huskers' three all-star selections trailed only UCLA for the most pro players produced among all colleges and universities in the nation.

Nicole Trimboli (right) was a four-year starter for Nebraska from 2001 to 2004. As a professional, Trimboli was an All-Star in 2005 for the league-champion Akron Racers. In 2006, Trimboli was one of three former Huskers on a Chicago Bandits team that posted the best regular-season record in the league.

Anne Steffan | Chicago Bandits | Two-Time All-NPF Selection

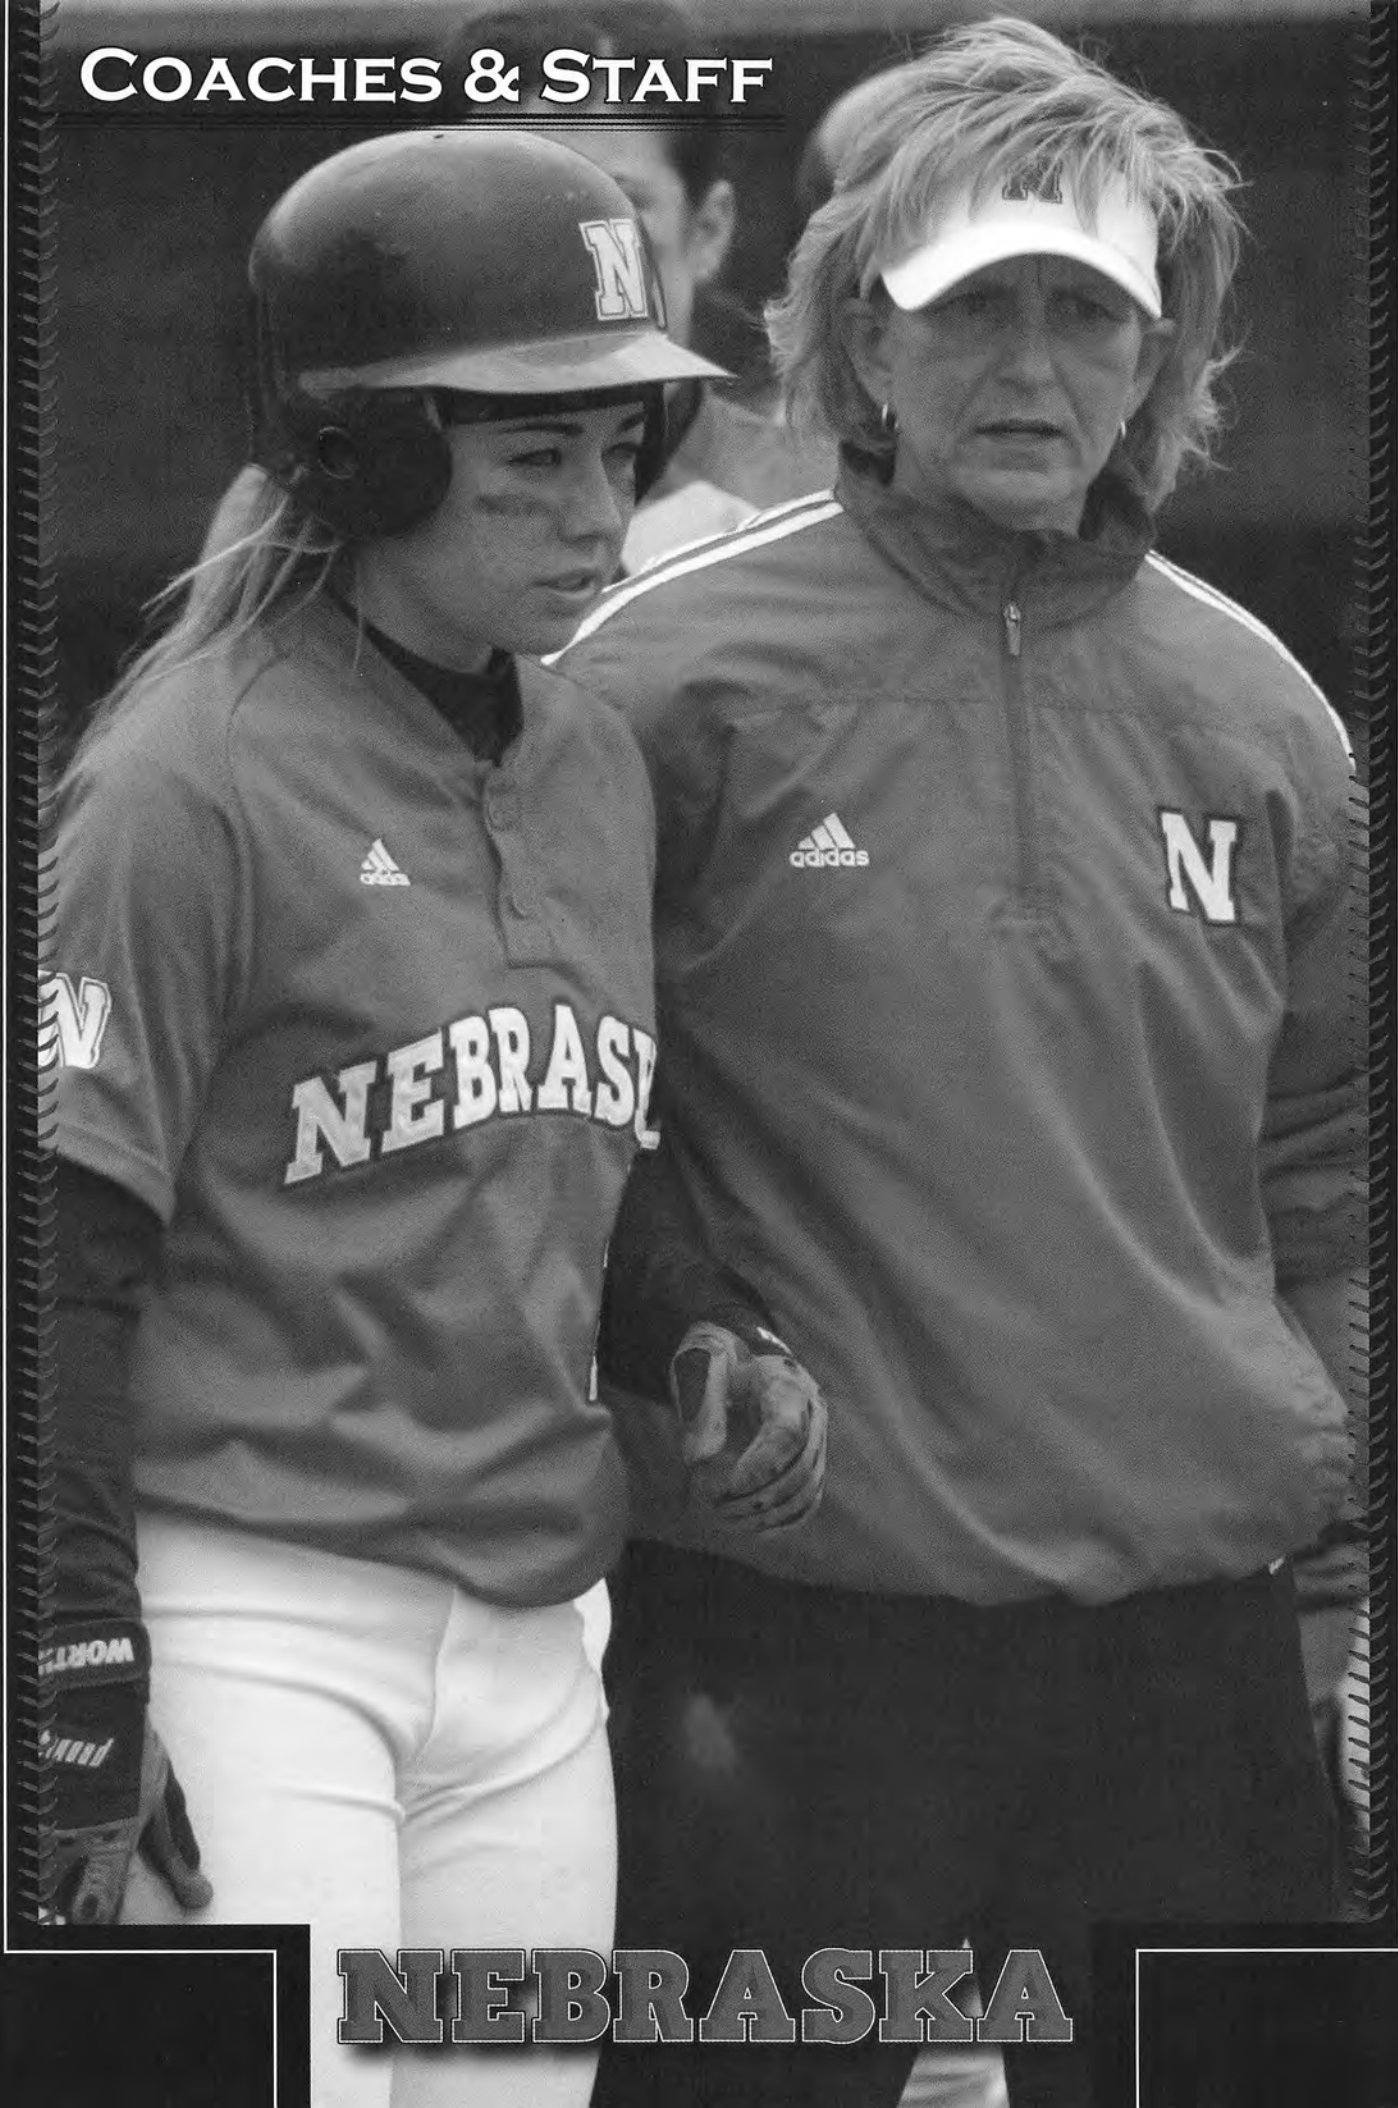

Anne Steffan, a third-team All-American at Nebraska in 2005, has made her mark in the NPF. Steffan was an all-star selection in the league's lone all-star game in 2005. This past summer, Steffan ranked second in the league with a .400 average en route to earning one of 19 spots on the All-NPF team.

Peaches James, a 2004 second-team All-American, ranked as one of the top pitchers in the National Pro Fastpitch league in 2004 and 2005, before an injury limited her in 2006. A 2005 NPF All-Star, James received the start in the circle in the all-star game and when the East All-Stars faced Team USA in an exhibition game.

In 14 seasons as the head softball coach at Nebraska, Rhonda Revelle has directed the Huskers to one of the most successful stretches in program history. In 2005, Revelle became the first female coach in program history to record both 500 career victories and 500 victories at Nebraska. An 8-0 win over Cal State Fullerton on March 19 gave her career win No. 500, and a 3-2 win over Texas Tech on April 17 made Revelle only the third coach in Nebraska history to lead any Big Red team to 500 victories.

She followed that milestone season by leading the Huskers to an outstanding 44-12 record in 2006 and the third-best single-season winning percentage in school history. Under her guidance, the 2006 Nebraska softball team recorded 20 victories in the first 24 games, marking the fastest start in school history. The Huskers also matched the 2002 squad for the fastest team to 30 and 40 victories, respectively, in the history of the program.

After another outstanding season that saw the Huskers finish second in the Big 12 Conference, advance to the regional final of the NCAA Tournament and finish with a No. 14 national ranking, Revelle's career record stands at 561-291 with a 553-275 mark at NU.

As if her career coaching honors and records weren't enough, Revelle is also in her second year of serving as Nebraska's Senior Woman Administrator. The only coach in the Big 12 Conference serving a role in the administration in addition to coaching duties, Revelle replaced Dr. Barbara Hibner, who retired on Dec. 31, 2005, after a remarkable 28-year tenure at Nebraska.

In her coaching duties, Revelle has led Nebraska to at least 35 wins in each of the past nine years. Under her guidance, the Huskers are also one of only nine teams nationally to advance to each of the last 12 NCAA Tournaments. Revelle has guided NU to six Big 12 titles, including a sweep of the Big 12 regular-season and tournament titles in 2004. She also led the

Huskers to the 2000 Big 12 Tournament title, the 2001 Big 12 Conference regular-season title and a spot in the 2002 NCAA Women's College World Series.

Revelle led Nebraska to a second-place league finish in 2006 after finishing in seventh place in 2005. In 2004, Nebraska posted a 45-17 record and earned the Big 12 regular-season and tournament championships, becoming the first team in league history to sweep the regular-season and tournament titles more than once. NU hosted its second of three consecutive NCAA Regionals and earned the No. 2 seed, marking the eighth straight season Nebraska earned a No. 2 seed or higher (the format switched in 2005 and regional teams were not seeded). Along the way, NU defeated 12 ranked teams, including a 3-0 upset of third-ranked California at the NFCA Leadoff Classic in Columbus, Ga.

In 2003, the Huskers opened the season with a 16-4 record, the best 20-game start in school history. After going 12-1 in February and defeating seven ranked teams, Nebraska rose to its highest ranking ever in the USA Today/NFCA Coaches poll at No. 3. The Huskers remained in that spot for four weeks. NU eventually finished the season with a 39-17 record.

HISTORY

Throughout her tenure at Nebraska, Revelle's athletes have consistently earned national and conference awards for athletic and academic excellence. During the past 12 years, 14 Huskers have won All-America awards – including 10 first- or second-team members – and 70 Huskers have garnered all-conference honors, including 41 first-teamers. Last season, NU had a league-high six players earn all-conference accolades, including a league-high three first-team selections.

A confident, caring and charismatic coach, Revelle has also been active in the University and Lincoln communities, and encourages her players to do so as well. Revelle has served on several local YMCA committees, and she was an instructor in the University of Nebraska "Emerging Leaders" program in 2001. Revelle is also a member of the UNL Cather Circle, a mentoring organization composed of distinguished female alumni.

Three Straight 50-Win Seasons

Revelle led NU to a 153-50 record from 2000 to 2002, the most successful three-year period in program history.

She led the Huskers to one of their most memorable seasons in 2002. NU went 50-14 and captured the program's seventh Women's College World Series bid. Along the way, the Huskers earned a No. 4 ranking in the USA Today/NFCA coaches poll on Feb. 27, then the school's highest ranking. The Huskers were ranked in the top five for nine consecutive weeks.

NU also set a school record for consecutive wins with 23 straight in 2002. Nebraska broke its previous record of 18 consecutive wins March 19, when it defeated eventual national champion California 4-3, in the championship

game of the Capital Classic. Nebraska defeated six ranked teams during the stretch, including No. 3 Stanford, No. 5 LSU, California, No. 14 Alabama, No. 23 Texas A&M and No. 25 Wisconsin.

For their efforts, Revelle, associate head coach Lori Sippel and assistant coach Jennifer (Cline) Ogee were named the NFCA Midwest Region Coaching Staff of the Year in 2002.

Revelle also guided NU to 50-win seasons in 2001 and 2000.

In 2001, Nebraska won a school-record 47 regular-season games. NU won 10 games against teams ranked in the USA Today/NFCA coaches poll, twice defeating defending national champion Oklahoma. The Huskers won the Big 12 title and earned their 12th overall and seventh consecutive NCAA Tournament bid, finishing with a 51-15 record.

In 2000, the Huskers came within two wins of qualifying for the College World Series after a late-season surge that saw Nebraska win 20 of its last 23 games. The Huskers won a school-record 52 games and a school-record 20 home games, going undefeated in Lincoln for the first time since 1992.

Revelle's Huskers also won the Big 12 Conference Tournament title, defeating eventual national champion Oklahoma to advance to the tournament final.

Year-by-Year, 1993-99

In Revelle's first season, she inherited a young team that had posted a 23-30 record the previous year before going 18-23 in 1993. After a season of adjustment and transition, the 1994 Huskers saw significant improvement despite a third consecutive sub-.500 season (25-33). All-Big Eight selection

In a true testament to her commitment to success on the field and in the classroom, Revelle has produced a combined total of 118 All-Big 12 and academic All-Big 12 selections at Nebraska. The 118 selections leads the Big 12. Of the 118 accolades, a league-high 75 have been first-team selections.

The 2005 season was the only year the NPF staged an All-Star Game. The Huskers' total of three all-star selections trailed only UCLA for the most among all college programs.

Tobin Echo-Hawk led the conference in hitting with a .439 batting average, and was a first-team All-Midwest member.

In 1995, Nebraska burst onto the national scene by winning its first eight games of the season and ranking as high as eighth in the USA Today/National Fastpitch Coaches Association rankings. Revelle's team finished the 1995 season with a No. 15 ranking after advancing to the NCAA Regional in Tucson, Ariz.

The 1996 season began much the same way, with the Huskers winning 10 of their first 11 games, reaching a high of ninth in the polls and finishing the season ranked 17th. Even more impressive, the Huskers took second at the first Big 12 Championship, narrowly missing the conference's first title in any sport.

In 1997, Revelle helped keep the momentum rolling, as Nebraska advanced to the finals of the NCAA Regional Tournament in Tucson, Ariz. Early in the season, the Huskers' win column suffered at the hands of a tough schedule, but the 29-24 Huskers were able to finish with a flurry, beating Arizona State twice at the regional, while falling twice to eventual national champion Arizona.

Revelle guided her team to a final ranking of No. 5 in 1998, after NU swept through the Big 12 season and postseason tournament 20-0 for the first time in Big Eight or Big 12 history. The Huskers recorded a then-school-record 48 victories in winning a then-school-record 80 percent of their games.

The Huskers lost 75 percent of their offensive production from the 1998 squad, and many dubbed 1999 a rebuilding season. NU surprised everyone but itself, battling back from the loser's bracket in the NCAA regional semifinals to come within one victory of earning a WCWS berth.

Before Nebraska

A former pitcher for Nebraska from 1981 to 1983, Revelle was a member of the 1982 team that made the school's first-ever appearance in the College World Series and won its first-ever Big Eight Championship. Revelle still ranks among the school's career top 10 in saves (seven) and ERA (1.60).

A native of Eugene, Ore., Revelle graduated from Nebraska in 1984 with degrees in physical education and health. Before returning to Lincoln in 1993, she spent four years as an assistant coach at San Jose State University in California, where she earned a master's degree in human performance with an emphasis in sports management.

While at San Jose State, Revelle helped the Spartans to three consecutive top-20 finishes and two postseason appearances. She served as the pitching coach, recruiting coordinator and camps and clinics director.

Before taking the position at San Jose State, she spent one year as an assistant coach at Cal State-Hayward and two seasons as head coach at Nebraska Wesleyan, guiding the Plainswomen to back-to-back conference championships.

During the spring of 1997, Revelle and assistant coach Lori Sippel were honored for their efforts in coaching, playing and promoting softball in Nebraska by being inducted into the Nebraska Softball Hall of Fame.

An accomplished guest speaker and respected among her peers, Revelle served as president of the National Fastpitch Coaches Association from 1998 to 2002. She also served on the All-America Committee for six seasons and was the national chairwoman of the committee for two years.

More Than a Decade of Excellence

Over the last 12 seasons, Coach Rhonda Revelle has cemented Nebraska's place among the nation's elite. During that time, NU has won nearly 70 percent of its games, notched 514 victories, posted 134 wins in the Big 12, claimed six conference titles and finished the season ranked in the USA Today/NFCA Coaches Top 25 poll 12 straight times.

Nebraska softball is in an elite class when it comes to postseason play. The Huskers are one of only nine teams in the nation to appear in the past 12 NCAA Tournaments, with each appearance coming under Revelle's guidance.

NU also has a strong history of earning high seeds in the tournament. In addition to qualifying for the last 12 NCAA Tournaments, Nebraska has earned a No. 2 seed or higher in the NCAA Regional in each of the final eight seasons of the eight-team regional format.

Overall, NU has earned 17 NCAA Tournament bids, tying Texas A&M for the most NCAA berths of any Big 12 school. The Huskers have also advanced to the College World Series seven times.

Under Revelle, the Huskers have also seen a dramatic increase in fan support. Since moving into Bowlin Stadium in 2002, NU has finished in the top 10 nationally in average attendance in each of the past four seasons. Nebraska has drawn at least 10,000 fans annually in every year since Bowlin Stadium opened, including a school-record 19,103 fans in 2004. That season, NU led the nation with an average increase of 340 fans per game, finished third in total attendance and finished fourth in average attendance.

Media exposure for the program has also seen a dramatic rise, as Revelle has continued to build Nebraska softball into one of the premier programs in the nation. The Huskers were on television two times in 2006, including nationally televised contests on Fox Sports Net and College Sports Television. Nebraska also has nearly every home game broadcast live on Huskers.com or the Husker Sports Network, as well as select road games and the entire Big 12 and NCAA Tournaments.

An Era of Excellence: Revelle Since the Inception of the Big 12

Big 12 Championships

Since the Big 12 was formed in 1996, Nebraska trails only Texas for the most league titles with six combined championships after sweeping the regular-season and tournament titles in 2004. Under Revelle, the Huskers have won three regular-season championships and have also been crowned tournament champions three times. NU is also the only team in the history of the conference to sweep the Big 12 championships twice.

All-Big 12 & Academic All-Big 12 Leaders

Nebraska has produced a combined total of 118 All-Big 12 and academic All-Big 12 selections since the league was formed. The 118 selections leads the Big 12, as NU ranks second in the league with 55 All-Big 12 picks and third in the conference with 63 academic All-Big 12 honorees. Of the 118 accolades, 75 have been first-team selections, also the highest total of any school in the league.

In the 11 seasons since the Big 12 Conference was formed in 1996, Coach Rhonda Revelle has cemented Nebraska's place among the conference and nation's elite. In the last 11 years, NU has won better than 70 percent of its games, notched 471 victories, posted 134 wins in the Big 12, claimed a total of six conference titles and finished the season ranked in the USA Today/NFCA coaches poll 11 straight seasons.

Nebraska softball is in an elite class when it comes to postseason play. The Huskers are one of only nine teams in the nation to appear in the past 11 NCAA tournaments, with each appearance coming under Revelle's guidance.

In addition to qualifying for the last 11 NCAA Tournaments, Nebraska had earned a No. 2 seed or higher in the NCAA Regional for eight straight seasons before the NCAA switched to the regional-super regional format in 2005, eliminating individual regional seedings.

Overall, NU has earned 17 NCAA Tournament bids, tying Texas A&M for the most NCAA berths of any Big 12 school. The Huskers have also advanced to the College World Series seven times. Nebraska's success has also allowed it to host an NCAA Regional in three of the past four seasons.

Under Revelle, the Huskers have also seen a dramatic increase in fan support. Since moving into Bowlin Stadium in 2002, NU has finished in the top 10 nationally in average attendance in each of the past five seasons. Nebraska has drawn at least 10,000 fans annually in every year since Bowlin Stadium opened, including a school-record 19,103 fans in 2004. A Conversation with Coach Revelle

Q: What do you enjoy most about coaching at Nebraska?

A: The sense of tradition, pride and community. From the players right on through to the fans, it is one big TEAM effort. As a coach, there is a tremendous responsibility to ensure that "the pride of Nebraska" stays intact.

Q: What is your coaching philosophy?

A: Our coaching philosophy is that we are a team-first program. From the administrators, support staff and coaches to the players and fans, we believe that love is the greatest source of motivation. By that, I mean love for the game, love for one another and the will to do the hard work it takes to be a champion.

Q: You've restored NU to the upper echelon of collegiate softball. What have been the keys to your success?

A: The quality of student-athletes has been the single greatest reason for our success. Their work ethic, talent and willingness to put the team first have been the cornerstone of this program's emergence. I have also been blessed to have what I consider the best staff any head coach could ask or wish for. Without them, we would not be where we are. We do not care who gets the credit. We just care that the job gets done and gets done with the highest standard.

Q: When you are recruiting a student-athlete, what are Nebraska's most impressive qualities?

A: I believe the pride one intensely feels when she is a Nebraska Husker is powerful. This university, athletic department and softball program are dedicated to excellence, and it relentlessly permeates the climate when recruits are on campus.

We feel that Lincoln is a perfect college town, the University is a first-class institution and the athletic department, featuring the Hewitt Center, Husker Power, HuskerVision, the Performance Buffet and many other services sell themselves. They are simply the best in college athletics.

Q: What do you look for in a Nebraska recruit?

A: We look for a person who embodies our ideals and mission for Nebraska softball. They are students and then athletes. They are honest, hard-working people who conduct themselves with class. We want student-athletes to join our family who have the values of diligence, take responsibility for their actions and respect themselves and others. We believe these are some of the qualities of high-level performers, and we want to protect our family by bringing in only athletes of high moral character.

Q: How important has Bowlin Stadium been to Nebraska softball?

A: Bowlin Stadium is a beautiful venue for both the athletes and the fans. It is set up to embrace the team concept, as the fans are right next to us, encircling us with their support. I am grateful that our administration values our sport enough to build one of the premier facilities in the country.

Q: What makes Nebraska softball fans so special?

A: There is no place like Nebraska. Why do you think that slogan became famous? Because of the awesome fans. They are loyal, steadfast, ever-ready and always great sports. We love our fans.

Associate Head Coach Lori Sippel is a truly accomplished player and coach. She has extensive experience at all levels, including the international level, where she is a Hall of Fame member, and in her native country of Canada, where she is entering her

second season as head coach of Team Canada.

Arguably the most dominating pitcher in Nebraska history, Sippel competed for the Huskers from 1985 to 1988, earning All-America honors twice as well as academic All-America honors and a nomination for the prestigious Honda Broderick Award. Her success as a player has translated into the coaching field, where she is widely regarded as one of the top pitching coaches in the nation, as well as one of the top international head coaches as the head coach of Team Canada.

Sippel has developed three All-America pitchers at Nebraska, including Peaches James in 2004. Jenny Voss (1998) and Leigh Ann Walker (2000) have also earned All-America honors under Sippel's tutelage. Ashley DeBuhr could add to that list in 2007, as she has already earned a pair of all-conference honors and all-region accolades through her first three seasons.

In each of the past seven seasons, the Husker pitching staff has compiled at least 350 strikeouts, posting seven of the top eight single-season marks in school history. NU broke the single-season record in 2001 when the staff tossed 502 strikeouts. Also in 2001, Walker increased her career total to 858 strikeouts, breaking Sippel's 13-year-old NU record of 838. In 2004, James topped that mark, finishing her career with a remarkable 947 punch outs, including a school-record 394 strikeouts in 2004.

Lori Sippel earned the most prestigious honor in softball when she was inducted into the International Softball Federation Hall of Fame by ISF President Don Porter at the 2006 Canada Cup in Surrey, British Columbia.

Under Sippel's guidance, James improved each season and became one of the top pitchers in the nation. James was drafted by the Texas Thunder of the National Pro Fastpitch League, where she is a two-time all-star and finished with a 13-3 record and a 0.88 ERA in 2004, shortly after completing her Husker career.

In 2005, Ashley DeBuhr became just the second player in school history to record 300 strikeouts in a season when she struck out a Nebraska sophomore-record 335 batters. Under Sippel's guidance, DeBuhr showed remarkable improvement from her freshman campaign where she threw only 36.2 innings to earn second-team All-Big 12 honors in 2005. A year later, DeBuhr continued to flourish, as she struck out 304 batters to become the only player in school history to record 300 strikeouts in more than one season. DeBuhr finished the season with a 26-10 record and a 1.50 ERA while tossing 12 shutouts in 32 starts.

DeBuhr was not the only Husker hurler to benefit from Sippel's expertise last season. Molly Hill also excelled and posted a record of 18-2 to set the school record with an .900 winning percentage as a freshman. Under Sippel's guidance, Hill was able to contribute immediately at the Division I level after pitching in the smallest class of high school softball in Nebraska.

The Huskers boasted one of the top staffs in the country in 2006, finishing with a team ERA of 1.65, 17 shutouts and 476 strikeouts, the second-highest total in school history. Sippel led DeBuhr to rank 22nd in the nation in strikeouts per seven innings (9.3), 23rd in wins (26) and 44th in ERA (1.50). As a staff, NU ranked ninth in winning percentage and 20th in ERA.

In addition to tutoring the Husker pitchers, Sippel works with all phases of the program, including recruiting, film study and administration. Sippel was recognized for her contributions to the program when she was promoted to associate head coach on Aug. 5, 2002. Sippel had served as an assistant coach for the previous 14 seasons.

HISTORY

"Lori is an elite pitching instructor in a category with a select few," NU Head Coach Rhonda Revelle said. "But she is more than a pitching coach. She is a coach in all aspects of this program."

A two-time All-American as a player at NU, Sippel holds four NU single-season and five career records. On April 9, 1986, she threw the first seven-inning perfect game in NU history with a 2-0 win over Drake. It stood as the only seven-inning perfect game in Husker history until Peaches James tossed a perfect game on May 14, 2004, under Sippel's tutelage.

As a freshman in 1985, Sippel won Big Eight Tournament MVP honors, as the Huskers claimed their second-ever league title. That season, the Huskers made their third appearance in the WCWS and had a school-best second-place finish. Sippel opened the 1985 Series with a no-hitter against Louisiana Tech and was 2-2 in the NCAA Tournament.

In 1987 and 1988, Sippel captained the Huskers to two more College World Series appearances, where Nebraska finished third and fifth, respectively. Sippel claimed two more conference tournament MVP awards.

Sippel was a first-team CoSIDA Academic All-American, the GTE Academic All-American Softball Player of the Year and a Honda Broderick Award nominee in 1988. On April 30, 1995, Sippel's No. 16 jersey became the first retired by the Nebraska softball program.

A 13-year member of the Canadian National Team, Sippel was inducted into the Canadian Softball Hall of Fame in 1993. In 1994 she helped the Canadians qualify for the 1996 Olympics with a fourth-place finish at the World Tournament, and in 1990 she was on the team that finished sixth at the World Tournament.

Coach Sippel's Number

10

Sippel has produced at least one All-Big 12 pitcher in each of the last 10 seasons dating back to 1997. Only two other Big 12 programs can boast a streak longer than two seasons while only one other school can go back three years. In the 11-year history of the conference, Sippel has guided NU to a league-best 14 All-Big 12 selections at pitcher.

Sippel played for Canada in the 1996 Summer Olympic Games in Columbus, Ga., in softball's debut as an Olympic sport. She helped 3-4 Canada to a fifth-place finish. Sippel was also involved with the 2004 Olympic Games in Athens, Greece, and the 2000 Olympic Games in Sydney, Australia, serving as a color commentator for the Canadian Broadcasting Corporation's softball telecasts.

After hanging up her cleats following the 1996 Olympics, Sippel came out of playing retirement in 1998 to compete for Canada in the World Championships in Japan. Sippel pitched a one-hit shutout and struck out 12 against Italy in the fifth-place game to qualify Canada for its second straight Olympic Games. She again retired from Team Canada in 1999, and her Canadian jersey has since been retired.

Sippel then moved into a coaching role with Team Canada and has already accomplished much with the squad after being named head coach in March of 2005. The Canadians finished second to the United States at the 2005 Pan-American Qualifying Tournament in December 2005 and Sippel guided Team Canada to a 2-1 upset victory of Team USA at the World Cup of Softball on July 19, the Americans' first loss in international play since 2002.

This past summer, Sippel guided the Canadians to an Olympic berth by virtue of a fifth-place finish at the World Championship in Beijing, China. Team Canada also added a second-place finish at the Canada Cup, as well as a third-place finish at the II World Cup of Softball, where Sippel's team defeated traditional power Australia in back-to-back games to earn third place.

Sippel's international legacy grew larger in 2005 when she was one of three Canadians selected to be inducted into the International Softball Federation Hall of Fame. Sippel was formally inducted into the Hall of Fame at the 2006 Canada Cup.

In the spring of 1997, Sippel and Revelle were both inducted into the Nebraska Softball Hall of Fame.

An international guest speaker, Sippel graduated from NU in 1988 with a degree in special education. She returned to her alma mater in 1990, after serving one season as an assistant coach at Kansas.

Honors & Awards

- 2002 Midwest Region Staff of the Year

Jennifer Ogee (formerly Cline) enters her sixth season at Nebraska in 2007, where she serves as the Huskers' hitting coach. Ogee's other responsibilities include working with the catchers and infielders, as well as coordinating Nebraska's recruiting efforts.

Under the instruction of Ogee, Nebraska enjoyed an offensive explosion in 2006. The Huskers tallied six games where they produced 10 or more runs, including a season-high 21 against Illinois on Feb. 24, one shy of the school record. The Huskers scored 269 runs in only 56 games, an average of nearly five runs per game, the fourth-best total in the 32-year history of NU softball and the highest since the 2003 team averaged 5.0 runs per game under Ogee's tutelage.

Nebraska hit .273 as a team and saw marked improvement in the number of home runs hit. After hitting a total of 43 home runs the previous two seasons combined, the Huskers slammed 39 homers in the 2006 season, led by Crystal Carwile's 12. A freshman in 2006, Carwile was able to make an immediate adjustment to the Division I level with Ogee's guidance. Carwile finished with 12 homers, one shy of the freshman school record and also led the team with 41 RBIs.

Ogee also led NU to improvements in slugging percentage and on-base percentage, as the Huskers developed a consistent approach at the plate that led to increased efficiency on the scoreboard and in nearly every statistical category. The Big Red posted a .350 on-base percentage, the fourth-best mark in school history and the second-highest total since Ogee arrived in Lincoln.

Jen Ogee and her husband, Tom, were married on July 31, 2004. The couple celebrated the birth of their first daughter, Ellie Marie Ogee, on Feb. 27, 2006.

The Huskers also cut down their strikeouts in 2006, striking out just 290 times while drawing 144 walks and setting a new school-record after being hit by a pitch 35 times on the year. Nebraska's strikeout-per-game total was the second-lowest in the Big 12 Conference and was nearly one strikeout per game lower than the previous season.

In 2006, Ogee led Nebraska to several top national rankings including runs per game, where the Huskers ranked 37th in the nation.

Upon arriving at Nebraska in June of 2001, Ogee had an immediate impact on the Huskers' success at the plate. Nebraska hit better than .275 as a team in 2002 and 2003, marking the first time in six years that the Huskers had reached the mark in back-to-back seasons.

In Ogee's first five seasons, Nebraska has posted a team batting average of .270 or better four times. Prior to her arrival, the Huskers had hit .270 or better just five times in the previous 25 seasons. Nebraska has also scored at least 230 runs in each of Ogee's five seasons, an unprecedented stretch in Husker history. Prior to her arrival, Nebraska had only posted one stretch of four consecutive seasons with 200 runs scored.

In her first season as the NU hitting coach, Ogee guided the Huskers to a .278 average. The mark was the fourth best in school history and the highest since 1996.

Nebraska bettered the mark in 2003, finishing the season with a .287 average, which ranked first in the Big 12. Ogee coached two of the top 10 hitters in the conference in 2003, including Anne Steffan (third, .362) and Lisa Wangler (eighth, .347).

"Jen has already put her signature on this program," NU Head Coach Rhonda Revelle said. "She claims a piece of this team as much as (associate head coach) Lori Sippel and myself do. We are so fortunate to have someone

on our staff who loves the game, loves the Huskers, and is willing to pay the price to reach the pinnacle. She is a diamond."

Before arriving at Nebraska, she served as an assistant at the University of Washington for four years.

While at Washington, Ogee's responsibilities included helping to develop offensive strategy and working with the catchers. During her tenure at UW, the Huskies advanced to four NCAA Women's College World Series, where they posted a fifth-place finish in 2000, third-place finishes in 1997 and 1998 and a runner-up finish in 1999, when the Washington coaches were named the Pacific Region Coaching Staff of the Year. The Huskies combined to post a 215-61 (.805) record during Ogee's four years as an assistant.

Ogee also had a successful run as a player for UW. A four-time team captain, Ogee was a part of the inaugural Washington softball team in 1993. She started all but three of the first 264 games in Washington softball history. As a senior in 1996, she led the Huskies to a second-place finish in their first-ever WCWS berth, earning a spot on the All-WCWS team as well as NFCA All-America honors. Ogee still ranks highly in the Washington record book and holds the school career record for walks.

When her collegiate career was over, Ogee competed for the Virginia Roadsters' 1999 Women's Professional Softball League championship team. She was the seventh overall draft pick by the Tampa Bay Firestix in the WPSL's 2000 Elite/Supplemental draft.

Coach Ogee's Number

.273

Ogee has guided Nebraska to a team batting average of .273 or better in four of her first five seasons. Prior to her arrival in Lincoln, NU had posted just three seasons with a team batting average of at least .273 in the first 26 years of the program.

Ogee also has extensive international experience. She was a member of the 1997 U.S. Women's National Team that won a gold medal at the Pam Am Qualifier in Medellin, Colombia, and she was a two-time Olympic Festival Gold Medalist and a four-time Olympic Festival participant.

Originally from Westminster, Calif., Cline graduated from Washington in 1997 with a bachelor of arts degree in sociology.

Ogee was married to Tom Ogee, the brother of former Husker and NFCA All-American Kim Ogee (2000-03) on July 31, 2004. Jen gave birth to the couple's first child, daughter Ellie Marie Ogee, on Feb. 27, 2006.

Athletic Director Steve Pederson

Steve Pederson

Athletic Director

► Fifth Year
► Nebraska
(1980)

Tradition, Teamwork, Integrity. These are the core values of the Husker Nation and the principles of champions. Steve Pederson was named his alma mater's 12th athletic director on Dec. 20, 2002, and quickly established these ideals as the driving force to guide Nebraska back to the pinnacle of collegiate athletics.

Pederson's first priority was improving Nebraska's facilities, an important step in providing the Huskers with another way to attract the best student-athletes in the country. In November of 2003, Pederson announced the Husker Nation Championship Drive, a \$50 million fund-raising project to support the creation of the Tom and Nancy Osborne Athletic Complex, which opened in August 2006. The project includes the Hawks Championship Center and new outdoor practice fields to benefit each of NU's 23 varsity programs, along with an expansion of Memorial Stadium that

lifted capacity above 80,000 for the first time in the building's history.

Pederson's vision has made the Osborne Athletic Complex the showcase piece of the project. The complex benefits all Nebraska student-athletes, as it includes state-of-the-art training, sports nutrition and athletic medicine facilities in the Charles and Romona Myers Performance Center.

With the improvements, Pederson has also ensured the Husker Nation a fan-friendly environment at Memorial Stadium. New fan amenities include more concession areas and restrooms, improved seating options for the disabled and a concourse-level connector that brings the North Stadium together with the East and West. Fans can also enjoy one of the nation's largest big screens during the Tunnel Walk, one of college football's grandest entrances.

The new facilities will benefit some of the top athletic squads in the country. During the 2005-06 seasons, 15 of Nebraska's 23 varsity sports finished the year ranked in the national top 25.

The Huskers' nationally renowned volleyball team led the way, as it reached the NCAA title match for the fifth time in school history. The volleyball team's runner-up finish tied the rifle program for the best national team placing on the year, while the women's outdoor track and field (fourth) and women's gymnastics (fifth) teams each finished in the top five. Individually, Nebraska student-athletes have flourished in recent years, including 37 Huskers earning 48 All-America certificates last season.

Pederson has pushed the Huskers to uphold their unparalleled tradition and remain at the forefront in the classroom as well as on the field. Last year, 11 Cornhuskers earned CoSIDA Academic All-America honors, raising Nebraska's NCAA-leading total to 235. Over two semesters, 479 student-athletes earned Big 12 Commissioner's Honor Roll accolades with a 3.0 or better grade-point average, while 126 Huskers claimed academic All-Big 12 honors and 111 earned their degrees.

Pederson is an award-winning athletic director with experience at four prominent Division I schools. He has implemented his vision for the future of Nebraska, which includes three vital components to success: a staff that will outwork the competition; enhancing facilities in order to attract the nation's best student-athletes; and a unified approach to enable student-athletes to succeed in all facets of life.

Nebraska's championship tradition has been built by outstanding student-athletes and coaches over the years, but Pederson believes the foundation of NU's success is its fans – not only the 1.7 million people who call the state home, but also fans who support NU from around the nation.

Since December 2002, Pederson has worked hard to integrate Husker fans into the NU athletic program. He declared the 2003-04 season the "Year of the Fan" and conceptualized the first Husker Nation Tour. He also developed the Husker Nation Pavilion for fans to enjoy a family-friendly atmosphere before home football games.

From creating the nation's first comprehensive strength program to its nationally renowned academic support system, Nebraska has always been at the forefront in providing unmatched resources for its student-athletes. Pederson is continuing that tradition by showing the foresight and vision needed to ensure long-term success for athletic programs, both at Pittsburgh and Nebraska.

Pederson's efforts have the interests of the student-athletes in mind. He has implemented support programs to aid student-athlete's academic, athletic, personal and professional development. In order to assist student-athletes with their postgraduation pursuits, he worked with Assistant Athletic Director for Student Life Keith Zimmer to enhance Nebraska's nationally recognized Life Skills program. They created the Life Skills Award for the team that demonstrated the strongest commitment to all phases of the life skills program, including outreach, education and leadership.

A firm believer in the philosophy that hard work pays off, Pederson was given his first chance at leading a Division I program when he was hired as athletic director at the University of Pittsburgh in 1996. A young and relatively unknown commodity at the time, Pederson returned the Panthers to the national spotlight in just six years. As a result of his hard work and effective leadership style, Pederson was named the recipient of the 2002 General Robert R. Neyland Athletic Director Award, annually presented by the All-American Football Foundation for outstanding administrative achievement.

Pederson helped construct several new facilities at Pittsburgh, including shaping the vision of the Petersen Events Center, a convocation center that provided Pittsburgh with one of the finest college basketball arenas in the country. Behind Pederson's efforts, the Panther football team was blessed with the Duratz Athletic Complex and the UPMC Sports Performance Complex, a practice venue that opened in 2000. In 2001, the Panthers debuted Heinz Field, a new facility the football team shares with the Steelers. Pederson also oversaw major upgrades to several Olympic sport facilities.

During his tenure at Pittsburgh, Pederson hired six coaches who combined to earn Big East Coach-of-the-Year honors in football, men's basketball, women's basketball, volleyball, baseball and track and field. Under Pederson's head coaching hires, the football team made three straight bowl appearances, including two victories, while the men's basketball team went on to gain back-to-back Sweet 16 berths.

Pederson and his wife, Tami, both earned degrees from the University of Nebraska. Steve earned his bachelor's degree from Nebraska in business administration in 1980 and began his career at Nebraska, first as a sports information assistant (1980-81) and then as football recruiting coordinator (1982 to 1986). He returned as the associate athletic director for football operations from 1994 to 1996.

Pederson left the state in 1988 to serve as Ohio State's recruiting coordinator until 1991, then moved on to the University of Tennessee to devote three years as the athletic administrator for football. He was promoted from recruiting coordinator to assistant athletic director for recruiting in 1992, and then was elevated to associate athletic director for football operations in 1993.

A native of North Platte, Neb., Pederson has experience in the non-athletic business sector, spending one year as Ak-Sar-Ben's Public Relations Director (1981-82), and two years in private business in Nebraska (1986 to 1988), before returning to college football in 1988 at Ohio State.

Pederson and his wife Tami Osborne Pederson have three children: Mark (23), Kari (20) and Kristin (17).

Marc Boehm

Executive Associate Athletic Director

Marc Boehm (pronounced BAME) was hired in May of 2003 to serve as Nebraska's Executive Associate Athletic Director. Boehm is the top assistant to the athletic director and fulfills the director's responsibilities in his absence.

Boehm serves as the department's Chief Operation's Officer and oversees the efforts of several areas within athletics, including marketing, media relations, athletic medicine, strength and conditioning, events and facilities. He also provides guidance to HuskerVision and NU's Internet presence, Huskers.com, and assists the athletic director on special projects, including television and radio contracts.

As primary administrator for the men's and women's basketball programs, Boehm has helped to create a fan-friendly atmosphere at the Bob Devaney Sports Center. He has also

worked tirelessly with Fox Sports Net and the Big 12 Conference to provide the men's team with its most extensive television package in program history. Boehm's efforts have led to an increase of more than 20 percent in attendance at women's games over the past three seasons.

Under Boehm's guidance, the teams have combined for five postseason appearances in the past three years. The women's team advanced to the second round of the WNIT each of the past three seasons, while the men have reached postseason play twice during Boehm's tenure.

Boehm's efforts to enhance NU's gameday atmosphere were not restricted to the basketball programs. He was instrumental in conceptualizing and developing the Husker Nation Pavilion, which quickly became the premier pregame event around home football games. The area, which is free to the public, includes a video board, interactive games, autograph sessions with current and former athletes, professional music groups and vendors. It also serves as the location for the Host Communications Husker Sports Network pregame show, giving fans a family-friendly venue.

Bob Burton

Senior Associate Athletic Director

Bob Burton joined the Nebraska athletic department in 1998 and has been a senior associate athletic director since 2001. He spent three years as associate athletic director for compliance/sports administration before being named to his current position.

Burton is responsible for ensuring that operating principles of conduct for the NU athletic department are in compliance with NCAA and Big 12 Conference rules and regulations. In addition to overseeing Nebraska's compliance programs, Burton also helps set policy, develops short- and long-term goals and objectives, and assists in creating strategic plans for the athletic department. Since 2005, Burton has expanded his responsibilities by assisting the development office in areas of fundraising and building relationships with athletic department supporters.

Burton also provides direct administrative supervision to the sports of golf, tennis, gymnastics, track and field, cross country, soccer, bowling, rifle, softball, wrestling and swimming and diving. He oversees the operation of Haymarket Park and equipment issues.

Boehm also took the lead role in obtaining First National Bank as a premier sponsor for the Nebraska Athletic Department for nearly \$3 million over a three-year period. First National Bank joined ALLTEL, Pepsi and adidas as premier corporate sponsors for Husker athletics.

Boehm held the same position under Steve Pederson at Pittsburgh from 1997 to 2003. Boehm assisted in the rise of the Panthers' basketball program with the men's team posting back-to-back Sweet 16 appearances in the NCAA Tournament.

During construction of the Panthers' new athletic facilities, Boehm played a central role, including serving as principal planner for the football team's move into the UPMC Sports Performance Complex and Heinz Field. He also played a key role in various aspects of the Petersen Events Center, the new basketball arena.

Boehm served as interim athletic director at Pittsburgh for nearly five months before coming to Nebraska. During that time, he hired new men's (Jamie Dixon) and women's basketball (Agnus Berenato) and soccer (Sue-Moy Chin) head coaches for the Panther program. Under Dixon's direction, the Panthers have advanced to five straight NCAA Tournaments, while Berenato has rejuvenated the women's program, which recently set a school record for victories.

Joe Starkey of the Pittsburgh Tribune Review praised Boehm for the outstanding basketball hires, writing in a 2006 article, "Credit Marc Boehm with a key assist here. ... He was Pitt's interim athletic director after Steve Pederson left, and it was under his watch that Berenato and men's basketball coach Jamie Dixon were hired. That's a pretty good legacy."

Boehm spent five years as associate executive director of the Tostitos Fiesta Bowl, where he was instrumental in building community and marketing programs. Boehm directed and managed a 125-member fundraising committee of Arizona business leaders that was responsible for generating more than \$4.5 million in cash and in-kind partnerships.

Before joining the Tostitos Fiesta Bowl staff, Boehm spent four years as associate executive director and public relations director of the Sun Bowl from 1987 to 1991. He went to the Sun Bowl after one year as a sports information intern at Florida.

Born in Grand Island, Boehm earned his bachelor's degree in communications from Kansas State University in 1984 and added a master's degree in sports management from St. Thomas (Fla.) University in 1985. Boehm and his wife, the former Janelle Broderick of Minot, N.D., have three boys, Broderick, Christian and Lukas John.

Burton filled a similar position at Oklahoma State as the assistant athletic director for sports administration and compliance from 1993 to 1997. He oversaw OSU's Olympic sports programs as well as the training and strength and conditioning, wrestling, men's and women's track and field and men's and women's tennis programs.

Burton came to Nebraska from Texas Tech, where he served as an associate athletic director for compliance for one year. While at Texas Tech, Burton helped complete the NCAA investigation into the Red Raider athletic department and analyzed the entire compliance system at the institution. He also helped identify and implement financial aid and eligibility systems, including changes in personnel and restructuring of the compliance department.

Burton, who was a member of the NCAA Division I women's soccer committee for three years and currently is a member of the NCAA Division I bowling committee, served as a legislative administrator for the NCAA from 1989 to 1993. At the NCAA, he was involved in the development of legislation, interpretation of regulations and reviewed legal issues related to the application of the association's regulations. He served as an NCAA liaison to committees and conducted comprehensive education to several intercollegiate athletic conferences. He has served on the National Association of Athletic Compliance Coordinators Executive Committee and the subcommittee of Big 12 Directors of Compliance.

He received his bachelor's degree in finance from Nebraska in 1985 and his juris doctorate from the Nebraska College of Law in 1989. A native of Falls City, Neb., Burton and his wife, Krista, have a daughter, Elly, and sons Robert Falk, McClain John and Abram Lawslo.

HISTORY

It was the late 1800s.

A woman attending college
was considered a waste of time.

She defied convention by enrolling
at the University of Nebraska.

She later became an esteemed
professor, author, ranking golfer, state
tennis champion, award-winning
cyclist, basketball coach, women's
rights activist, the first woman
president of the Modern Language
Association and the first
woman elected to the Nebraska
Sports Hall of Fame.

Nothing, including being a woman
in the Victorian era, stood in her way.

Her name was Louise Pound.

Season Outlook [2007]

Jaime Borg is poised to make the biggest contributions of her career in 2007, as she moves to the outfield, where she will contend for playing time, in addition to competing for time as the designated player.

Borg entered the program as a pitcher, but was quickly converted to an outfielder before her freshman season. Depth concerns in the circle forced Borg to return to pitching for her sophomore and junior years, but she heads to the outfield for her final season.

A hard-worker with a team-first attitude, Borg has been eager to fill whatever role is needed and has contributed to the Huskers' success in a variety of ways. In 2006, Borg was one of Nebraska's top pinch-runners and was also utilized as a pinch-hitter, where she recorded the first hit of her career.

Borg owns a career 3-0 record in the circle, but the Lincoln native has worked hard to improve her offensive game and will be counted on at the plate and on the basepaths in 2007.

Junior Season [2006]

Borg contributed to the team's success in a variety of ways in 2006, including as a designated player, pinch hitter, pinch runner and relief pitcher ... made two appearances in the circle, tossing three innings and allowing two runs on three hits ... offensively, made one start as the designated player and 25 appearances overall ... enjoyed a career inning against 19th-ranked Baylor on April 14 ... pitched a perfect top of the seventh, then recorded her first career hit, a double, in the bottom of the frame ... her hit ignited a two-run rally that avoided what would have been NU's third shutout of the season ... also drew two walks and stole three bases in three attempts ... scored her first run of the season against Illinois and finished the season with a career-high 10 runs scored, nine more than her two-year career total entering the year ... posted a .429 on-base percentage and .400 slugging percentage, while hitting .200.

Sophomore Season [2005]

Borg returned to the circle in 2005 after playing outfield in 2004 ... was 3-0 with a 2.84 ERA ... opponents hit just .188 against her and struck out 18 times in 24.2 innings ... won her last outing, throwing a career-high six innings against Northern Colorado on April 21 ... allowed only one earned run on three hits against the Bears ... picked up her first career victory against Texas Southern on March 4, allowing four runs (two earned) in 4.1 innings ... made her first career appearance in the circle against Women's College World Series qualifier Tennessee in the Huskers' season opener on Feb. 12 ... pitched one inning, allowing just one hit and striking out one ... made her first Big 12 appearance against Texas A&M on March 25, pitching a perfect inning ... struck out a career-high five against Missouri-Kansas City ... also

Coach Revelle on Borg

"Jaime has been a true leader on this team. She has set the tone in the weight room, in the classroom and has been an integral part of the senior class rallying the team together as it marches toward our team goals. Borgie is Husker to the core, and we are blessed to have her in a leadership role for our 2007 campaign."

Borg's Career Progression

Games Played

Borg has a reputation as a true team player and her yearly increase in games played confirms that and illustrates her versatility. Borg appeared in five games as a freshman while playing in the outfield. She switched to pitcher in 2005 and played in 13 contests. She was a pitcher, designated player, pinch hitter and pinch runner in her junior season, during which she earned a career-high 25 games played.

Season Outlook [2007]

Ashley DeBuhr (pronounced duh-BORE) will anchor a talented and deep pitching staff in 2007 after earning All-Big 12 and All-Midwest region honors in each of the last two seasons.

DeBuhr has been the Huskers' workhorse the last two years and has proven capable of handling the load. She has the ability to dominate opposing lineups, as evidenced by her 19 shutouts and 639 strikeouts in 2005 and 2006.

An All-America and Big 12 Pitcher-of-the-Year candidate, DeBuhr has improved her numbers every season at Nebraska. Her progression could be even greater in 2007, as a talented three-pitcher staff should decrease her number of innings, keeping her sharp and fresh, especially for the postseason run.

The only pitcher in school history to strike out 300 batters in consecutive seasons, DeBuhr will leave her mark on the Husker record books in her final season and will also play a pivotal role in Nebraska's quest to win a Big 12 title and advance to the Women's College World Series.

Junior Season [2006]

DeBuhr was stellar in the circle for NU in 2006, earning first-team All-Big 12 and All-Midwest region honors ... finished with a 26-10 record and a 1.50 ERA ... ranked 23rd in the nation in wins, 22nd in strikeouts per seven innings and 44th in ERA ... tossed 12 shutouts to become one of just six pitchers in school history to throw 10 or more shutouts in a single season ... also led the team with 304 strikeouts, becoming the first Husker in school history to post more than one season with 300 or more strikeouts ... All-American Peaches James is the only other player in NU history to strike out 300 batters in a season, as she accomplished the feat in 2004, before DeBuhr accomplished the feat in 2005 and 2006 ... showed great command in posting an incredible strikeout-to-walk ratio of better than 7-to-1, racking up 304 strikeouts against just 42 walks in 203.1 innings ... also added three saves, the most by a Husker since the 2002 season ... opponents hit just .177 against her ... posted 12 double-digit strikeout games, including a season-high 16 against Kansas on April 26 and 14 against Illinois State in the NCAA Tournament on May 20 ... threw four consecutive shutouts from March 11 to March 17 ... allowed three or fewer hits in

DeBuhr's Career Progression

DeBuhr has annually improved her ability to reach this goal, as she ranks seventh all-time at NU with 20 career shutouts. Last year, DeBuhr posted a career-high 12 shutouts to rank second in the Big 12 Conference. Her 12 shutouts were five more than she posted in 2005, despite receiving nine fewer starts.

Season Outlook [2007]

Tabbed as the Huskers' Most Improved Player in each of the last two seasons, Devin Porter has developed into one of the top shortstops in the Big 12 Conference.

Her numbers show solid improvement through each of her first three seasons and with another year of experience and offseason training, Porter has the potential to produce an outstanding senior season in 2007.

Offensively, Porter is a candidate to fill the leadoff role in the Husker order. A solid contact hitter, Porter has the ability to hit for power as she ranked second on the team last year with eight home runs. Porter also struck out the fewest times of the regular starters in 2006 and finished with 16 strikeouts and 16 walks, another ideal statistic for a leadoff hitter.

Defensively, Porter has decreased her errors and increased her fielding percentage each season at Nebraska. A strong-armed shortstop, Porter has also worked hard to increase her range to allow her to cover more ground.

Porter's contributions will not be limited to at bats, put outs or assists. As the most experienced returning player, Porter is a battle-tested veteran who will be expected to provide leadership and support to a talented, but inexperienced, group of underclassmen.

Junior Season [2006]

Porter enjoyed a breakout junior season in 2006 ... set career highs in nearly every category, including average, runs, hits, homers, RBIs, walks, stolen bases, slugging percentage, on-base percentage and fielding percentage en route to earning second team all-conference honors ... hit .277 on the season to rank fourth on the team ... her season average was .105 points higher than her career average entering the season ... also belted eight home runs to rank second on the team ... had hit just one home run in her first two seasons ... one of the toughest strikeouts in the league, drew 16 walks while striking out just 16 times in 165 plate appearances ... was also hit by eight pitches, which would have been a new single-season school record had teammate Trisha Tannahill not been hit by 10 pitches ... started every game but one at shortstop ... led the team with a .360 average in Big 12 games only and added four home runs ... also posted a whopping .640 slugging percentage in league games, highlighted by four home runs ... hit three home runs in a five-game span at the Best Western Airport Festival March 15-17 ... before that outburst, had homered just two times in her previous 125 career games ... was named to the Best Western Airport Festival All-Tournament team after a career weekend in Tulsa, Okla. ... posted a 1.154 slugging percentage at the tournament with a double

and three home runs ... also produced eight RBIs in the Huskers' five games ... went 2-for-3 against Northern Iowa in the final game of the tournament on March 5 ... hit her first career grand slam against the Panthers and added a two-run double to finish with a career-high six RBIs, one shy of the school record ... opened the season on a high note as she went 2-for-3 against No. 7 Stanford in the season opener Feb. 10 ... in the second game of the day, went 2-for-4 against No. 15 Oregon State ... hit her second career home run and added a then-career-high five RBIs against the Beavers ... NU won six games the week of March 1 and Porter was credited with the game-winning RBI in three of those victories ... hit her fifth home run of the season in the Huskers' 9-1 win over 17th-ranked Oklahoma in the first game of an April 1 doubleheader ... had another career-game at Oklahoma State on April 8 ... went 2-for-3 with a pair of solo home runs against the Cowgirls for the first multi-homer game of her career ... followed that with another 2-for-3 performance with a double and a walk against OSU on April 9 ... recorded multi-hit games in four of the final six league games ... went a season-high 3-for-5 with a home run and three RBIs at Texas Tech on April 23 ... her homer came in the 10th inning and broke open the game ... went 2-for-4 in the first game of the Texas Tech series ... went 2-for-2 against Kansas on April 26, making her 8-for-11 in a three-game Big 12 stretch ... went 2-for-2 with a double and a walk against Missouri in the opening round of the Big 12 Championship ... hit safely in three of the Huskers' four NCAA Tournament games and led the squad with two RBIs ... defensively, committed only eight errors in 147 chances while making several outstanding plays at short ... committed just two errors during Big 12 play ... played error-free ball the entire postseason.

Sophomore Season [2005]

Porter began 2005 at third base before returning to her natural position of shortstop for the majority of the year ... started 54 games in 2005, including nine games at third and 45 at short ... hit .209 but proved to be one of the Huskers' top clutch hitters ... led the team with 16 two-out RBIs ... tied for the team lead with six game-winning RBIs and was fourth with 23 RBIs ... in 2004, Porter recorded only two game-winning RBIs and 10 RBIs ... hit the first home run of her career against Iowa State, a three-run shot on April 27 ... finished 2-for-4 with three RBIs against the Cyclones ... went 3-for-6 with a double in a two-game series against Missouri, accounting for three of Nebraska's seven hits on the weekend ... over her last five regular-season games went 6-for-16 (.375) with four RBIs ... ranked second on the team with a .286 average and three doubles

Season Outlook [2007]

Carmen Kier (pronounced KEER) set career highs in nearly every statistical category in 2006 and looks to build off her solid junior season with a breakout senior campaign.

Kier is slated to be the Huskers' starting third baseman, where she started all 56 games of 2006 after splitting time at third and as the designated player in 2004 and 2005.

A full two seasons removed from a pair of knee surgeries, Kier will fill key roles for the Huskers both offensively and defensively. In her first full season at third, Kier gained confidence as the season progressed and finished with a career-high .904 fielding percentage while handling 95 more chances than her previous career high.

Offensively, Kier uses the entire diamond and has power to all parts of the field. She belted a career-high five home runs last year, while also setting career bests in 10 offensive categories.

Kier is not only poised for her best season as a Husker, but will also be counted on to fill a leadership role on a team that features 10 underclassmen.

Junior Season [2006]

Kier started all 56 games at third base for the Huskers ... finished with a .171 average ... ranked third on the team with five home runs, including the first multi-homer game of her career ... scored 23 runs and added 19 RBIs ... also drew 10 walks and was hit by two pitches ... her five homers were three more than her career total entering the season ... recorded the first multi-home run game of her career against Akron on March 17 with a pair of solo shots ... her two home runs also marked her lone multi-hit contest ... before the two home runs, she had hit just three career home runs in her previous 83 games ... it also marked her first multi-hit game of the season ... hit her first home run of the season against No. 7 Stanford in the season opener, Feb. 10 ... drew two walks and scored two runs against Illinois on Feb. 24 ... recorded a career-high three RBIs against Missouri Western on March 1 ... also added the first stolen base of her career against the Griffons ... drew a career-high three walks against St. John's on March 12 ... hit her fourth home run against Northern Iowa on March 30 ... went 1-for-2 with a homer and two RBIs at Iowa State on April 18 ... defensively, played a solid third base and finished with a .904 fielding percentage.

an RBI against Texas Southern on March 4 ... posted the game-winning RBI in the Huskers' 12-4 victory over Texas Southern ... her three walks against TSU were a career high and were one shy of tying the school record.

Freshman Season [2004]

Kier split time with sophomore Jessica Yoachim at third base early in the season, but emerged late in the season as the Huskers' designated player ... tied Nebraska's Big 12 regular-season championship-clinching game with No. 23 Texas A&M by hitting a solo home run in the sixth inning, her second home run in five games that week ... drew 18 walks in 34 games (27 starts) to post an on-base percentage of .342 ... recorded her first career hit on March 13, a single against Florida A&M ... enjoyed her best game of the season against Northern Colorado on April 27, when she went 2-for-2 with a walk and hit her first career home run ... scored two runs in a game on three occasions.

Redshirt Season [2003]

Kier was expected to step in and start at third base but was forced to redshirt in 2003, after undergoing surgery Jan. 9, 2003. Kier tore the anterior cruciate ligament in her right knee during workouts in mid-December.

High School

"There is a fire in her belly and when that happens to an athlete, stay out of their way and just stoke the fire. Carmen is poised to be the vocal leader and spark for her teammates. She has an infectious energy that will continue to ignite this team the entire year."

Kier's Career Progression

Hits

Already adept at reaching base as evident by her .293 career on-base percentage, Kier has worked hard at producing more hits. Last year, Kier recorded 21 hits after posting 17 hits in her first two seasons combined. Kier not only tallied more hits in 2006, but she made the most of those hits as eight of her 21 hits went for extra bases, including five homers. The increased production also helped her drive in a career-high 19 runs.

Season Outlook [2007]

Tabbed as the Huskers' Most Improved Player in each of the last two seasons, Devin Porter has developed into one of the top shortstops in the Big 12 Conference.

Her numbers show solid improvement through each of her first three seasons and with another year of experience and offseason training, Porter has the potential to produce an outstanding senior season in 2007.

Offensively, Porter is a candidate to fill the leadoff role in the Husker order. A solid contact hitter, Porter has the ability to hit for power as she ranked second on the team last year with eight home runs. Porter also struck out the fewest times of the regular starters in 2006 and finished with 16 strikeouts and 16 walks, another ideal statistic for a leadoff hitter.

Defensively, Porter has decreased her errors and increased her fielding percentage each season at Nebraska. A strong-armed shortstop, Porter has also worked hard to increase her range to allow her to cover more ground.

Porter's contributions will not be limited to at bats, put outs or assists. As the most experienced returning player, Porter is a battle-tested veteran who will be expected to provide leadership and support to a talented, but inexperienced, group of underclassmen.

Junior Season [2006]

Porter enjoyed a breakout junior season in 2006 ... set career highs in nearly every category, including average, runs, hits, homers, RBIs, walks, stolen bases, slugging percentage, on-base percentage and fielding percentage en route to earning second team all-conference honors ... hit .277 on the season to rank fourth on the team ... her season average was .105 points higher than her career average entering the season ... also belted eight home runs to rank second on the team ... had hit just one home run in her first two seasons ... one of the toughest strikeouts in the league, drew 16 walks while striking out just 16 times in 165 plate appearances ... was also hit by eight pitches, which would have been a new single-season school record had teammate Trisha Tannahill not been hit by 10 pitches ... started every game but one at shortstop ... led the team with a .360 average in Big 12 games only and added four home runs ... also posted a whopping .640 slugging percentage in league games, highlighted by four home runs ... hit three home runs in a five-game span at the Best Western Airport Festival March 15-17 ... before that outburst, had homered just two times in her previous 125 career games ... was named to the Best Western Airport Festival All-Tournament team after a career weekend in Tulsa, Okla. ... posted a 1.154 slugging percentage at the tournament with a double

and three home runs ... also produced eight RBIs in the Huskers' five games ... went 2-for-3 against Northern Iowa in the final game of the tournament on March 5 ... hit her first career grand slam against the Panthers and added a two-run double to finish with a career-high six RBIs, one shy of the school record ... opened the season on a high note as she went 2-for-3 against No. 7 Stanford in the season opener Feb. 10 ... in the second game of the day, went 2-for-4 against No. 15 Oregon State ... hit her second career home run and added a then-career-high five RBIs against the Beavers ... NU won six games the week of March 1 and Porter was credited with the game-winning RBI in three of those victories ... hit her fifth home run of the season in the Huskers' 9-1 win over 17th-ranked Oklahoma in the first game of an April 1 doubleheader ... had another career-game at Oklahoma State on April 8 ... went 2-for-3 with a pair of solo home runs against the Cowgirls for the first multi-homer game of her career ... followed that with another 2-for-3 performance with a double and a walk against OSU on April 9 ... recorded multi-hit games in four of the final six league games ... went a season-high 3-for-5 with a home run and three RBIs at Texas Tech on April 23 ... her homer came in the 10th inning and broke open the game ... went 2-for-4 in the first game of the Texas Tech series ... went 2-for-2 against Kansas on April 26, making her 8-for-11 in a three-game Big 12 stretch ... went 2-for-2 with a double and a walk against Missouri in the opening round of the Big 12 Championship ... hit safely in three of the Huskers' four NCAA Tournament games and led the squad with two RBIs ... defensively, committed only eight errors in 147 chances while making several outstanding plays at short ... committed just two errors during Big 12 play ... played error-free ball the entire postseason.

Sophomore Season [2005]

Porter began 2005 at third base before returning to her natural position of shortstop for the majority of the year ... started 54 games in 2005, including nine games at third and 45 at short ... hit .209 but proved to be one of the Huskers' top clutch hitters ... led the team with 16 two-out RBIs ... tied for the team lead with six game-winning RBIs and was fourth with 23 RBIs ... in 2004, Porter recorded only two game-winning RBIs and 10 RBIs ... hit the first home run of her career against Iowa State, a three-run shot on April 27 ... finished 2-for-4 with three RBIs against the Cyclones ... went 3-for-6 with a double in a two-game series against Missouri, accounting for three of Nebraska's seven hits on the weekend ... over her last five regular-season games went 6-for-16 (.375) with four RBIs ... ranked second on the team with a .286 average and three doubles

Season Outlook [2007]

Jamie Waldecker returns for her third season as the Huskers' starting catcher in 2007. Waldecker's proven production at the plate, along with the opportunity to work with a talented and deep pitching staff, should make the senior's final season a memorable one.

Waldecker is expected to be a key player in the Huskers' run for a Big 12 title. She is slated to be a middle-of-the-order hitter where she will be expected to drive in runs. Waldecker will also be counted on to step up as a leader, especially with the pitching staff.

The Huskers boast a talented three-pitcher staff that has the potential to rank as the league's best. One of Waldecker's challenges will be to get the staff, which includes a freshman and a sophomore, to perform to its fullest. Waldecker will also be asked to fill a leadership role within the team as one of the Huskers' most experienced players.

Aside from the intangibles, Nebraska will count on Waldecker to produce offensively. A two-time all-conference selection, Waldecker boasts the most career hits, homers and RBIs of any current Husker. She has also shown a knack for stepping up in big games, as her average in league play has topped her overall season average in each of her first three seasons. In her career, Waldecker's average in Big 12 games is .033 points higher than her overall average.

The Garden Grove, Calif., native also ranks as one of the top defensive players in the nation. She has thrown out nearly 40 percent of would-be base stealers in her career while committing just 13 errors in 1,095 chances.

Junior Season [2006]

Waldecker earned the second all-conference accolade of her career as a junior ... started 54 games and finished with a .237 average, five homers and 37 RBIs ... hit .273 with a pair of home runs in Big 12 play to earn second-team all-conference honors ... her 37 RBIs ranked second on the team and her five homers tied for third ... went 1-for-3 with two RBIs against No. 7 Stanford in the season opener Feb. 10 ... was outstanding in the NFCA Leadoff Classic on Feb. 24, going 2-for-5 with a home run and career-high two runs scored and six RBIs against Illinois in the first game of the tournament ... her six RBIs were one shy of the school record ... went 2-for-3 with another homer and two RBIs against Florida Atlantic ... performed admirably at the Best Western Airport Festival in Tulsa, Okla., March 3-5, while battling a painful tooth problem ... went 5-for-12 with a home run, five RBIs and two runs scored in only four games ... was named to the all-tournament team for her efforts ... went 3-for-5 with a homer, a walk, five RBIs and two runs scored in back-to-

back games against Tulsa and Northern Iowa to close out the tournament ... successfully executed the first squeeze bunt of her career against Florida A&M on March 11 to earn an RBI ... went 3-for-6 with an RBI and three runs scored in two games at the rain-shortened Big Red Tournament on March 17 ... threw out 1-of-3 would-be base stealers in the Big 12-opening series against Texas on March 25-26 ... went 3-for-3 with two RBIs and one walk against the Longhorns on March 26 ... went 1-for-3 with an RBI, two runs scored and a home run against No. 17 Oklahoma on April 1 ... her home run wrapped up the Huskers' 9-1 run-rule victory in game one of the doubleheader with the Sooners ... went 2-for-4 with an RBI at Oklahoma State on April 8 ... went 2-for-4 with a double and an RBI against South Dakota State on April 11 ... went 3-for-9 with a homer and four RBIs in a two-game series at Texas Tech April 22-23 ... her homer was a game-tying blast in the top of the seventh inning ... went 2-for-3 with a double and two RBIs against Missouri on May 7 ... went 2-for-5 and produced the game-winning RBI single in the 10th inning of NU's 1-0 win at Iowa in the first round of the NCAA Tournament ... reached base safely in all four of the Huskers' NCAA Tournament games, including drawing a total of four walks in four games ... tied her career high with a four-game hitting streak April 20-26 ... committed just three errors in 441 chances behind the plate for a .993 fielding percentage ... threw out 14-of-38 would-be base stealers (37 percent).

Freshman Season [2004]

Waldecker made an immediate impact for Nebraska in her rookie season while helping lead the Huskers to a sweep of the Big 12 titles ... split time at catcher and designated player early in the season, and also filled in at first base midway through the Huskers' Big 12 schedule ... in 52 games, produced an on-base percentage of .327, hit two home runs and racked up 14 RBIs ... was a second-team All-Big 12 selection, after hitting .270 in Big 12 games with an on-base percentage of .386 and a slugging percentage of .432 ... against No. 23 Texas A&M on May 2, Waldecker clinched the Big 12 regular-season title for Nebraska with a 10th-inning RBI single ... against 18th-ranked Oklahoma on April 18, Waldecker's solo home run in the bottom of the sixth broke a 1-1 tie and proved to be the game-winning hit ... had her first game-winning RBI against Creighton on April 6 and had another game-winning RBI against Texas on April 12 ... third on the team with 22 walks ... hit her first career home run on Feb. 22 against Indiana ... in her first collegiate game against DePaul on Feb. 13, Waldecker went 1-for-2 with a double, a run scored and two RBIs.

High School

A four-year letterwinner at Pacifica High School, Waldecker led her team to the 2003 California state championship ... hit .356 for the 2003 season, recording 30 RBIs ... named to the California Interscholastic Federation Division III first team ... also named CIF first-team all-state ... recognized on the All-Orange County second team and named the Garden Grove League Female Athlete of the Year ... was a key contributor on the 2001 California Rebels 18-and-under team that advanced to the ASA Gold Nationals ... competed on the 16-and-under team that placed ninth at the ASA Nationals in 2002 ... earned second-team NFCA All-West Region honors in 2003 ... lettered four years in basketball, averaging 15 points and 11 rebounds per game, which ranked second in Orange County ... was the Garden Grove league MVP.

Waldecker's game-winning, 10th-inning single at Iowa in the opening game of the 2006 NCAA Regional marked the 100th hit of her career. She is the lone Husker with 100 hits entering the 2007 season. NU has now had at least one player with 100 career hits at the start of every season since 1994.

Coach Revelle on Waldecker

"Jamie loves the game and loves to play the game. Jamie is a masterful receiver behind the dish for the Nebraska pitchers, a piece of artillery when runners try to take a base and an imposing presence when she is doing battle in the box. Watch this warrior passionately and successfully lead us through the 2007 season."

Waldecker's Career Progression

Runs Batted In

Waldecker has been a middle-of-the-lineup hitter since she arrived on campus prior to the 2004 season. As such, one of her main areas of focus has been driving in runs. In 2006, Waldecker drove in a career-high 37 runs en route to earning second-team all-conference accolades. Waldecker has shown steady improvement each season at Nebraska and is on pace to finish her career with more than 100 RBIs.

Season Outlook [2007]

After making waves and earning All-Big 12 and All-Midwest Region honors in her freshman season, Crystal Carwile returns as the Huskers' starting first baseman in 2007.

Carwile exploded onto the scene, belting five home runs in her first nine career games. She finished the season with 12 home runs, which ranked second all-time among all freshmen in Nebraska history. Her 12 roundtrippers were also the most by a Husker since the 2003 season.

A native of Chino, Calif., Carwile hit cleanup for the majority of last season. She will again be counted on to be a major RBI producer while hitting in the middle of the Husker lineup.

With Nebraska featuring a fairly inexperienced lineup in 2007, Carwile has the challenge of continuing the success from her stellar freshman season and the expectations of being one of the most important bats in the order.

Carwile is also an outstanding defensive first baseman. She committed just two errors in 353 chances last season and has the unique ability to do a full split while reaching for the ball on bang-bang plays.

Although Carwile excelled in 2006, she underwent shoulder surgery last summer and missed the Huskers' fall schedule. Her surgery limited her offseason training, but she is expected to be at full strength for the start of the 2007 season.

Freshman Season [2006]

Carwile made an immediate impact in her freshman season, earning NFCA All-Midwest Region first-team accolades and second-team All-Big 12 honors ... batted cleanup for most of the season and led the Huskers in home runs (12), RBIs (42) and slugging percentage (.541) while hitting .273 ... her 42 RBIs marked the first time a Husker freshman drove in 40 or more runs and led the team since Nicole Trimboli produced 45 RBIs in 2001 ... her 12 home runs were the second-most ever by a Husker freshman, trailing only the 13 hit by three-time All-American Ali Viola in 1995 ... hit

five game-winning home runs, including three in the Huskers' final at bat, although none were walk-off shots ... was also stellar defensively, committing just two errors in 353 chances at first base for a .994 fielding percentage ... began her Husker career in grand fashion, hitting .375 (6-for-16) at the Kajikawa Classic Feb. 10-12 ... hit five home runs in her first nine career games, including five homers in a seven-game stretch ... belted three home runs and a double at the Kajikawa Classic, posting a 1.000 slugging percentage ... had a career day against Utah State, going 3-for-4 with a pair of home runs ... first Husker to hit two home runs in the same game since All-American Peaches James hit two against Oklahoma State on March 28, 2004 ... two multi-home run games on the season were one

more than all Huskers combined in the 2004 and 2005 seasons ... recorded four hits in two games at the NFCA Leadoff Classic on Feb. 24, including two doubles and two home runs posted a 1.714 slugging percentage at the Leadoff Classic ... teamed with Trisha Tannahill and Jamie Waldecker to hit back-to-back home runs in consecutive games on Feb. 24 ... again teamed with Tannahill to hit back-to-back home runs against No. 17 Oklahoma in game two of a doubleheader on April 1 ... was involved in all four of Nebraska's back-to-back home runs on the season ... went 2-for-3 with an RBI in her home debut against Missouri Western on March 1 ... added the first stolen base of her career against Missouri Western ... lifted the Huskers past Kent State with a solo home run in the bottom of the sixth in NU's 1-0 win in the consolation championship game of the Florida State Invitational March 12 ... went 2-for-3 against North Dakota State on March 17 and scored a career-high three runs ... also went 2-for-3 with a run and three RBIs against Akron on the same day ... had an outstanding series against then-No. 17 Oklahoma in a doubleheader on April 1 ... went 2-for-3 with a home run and three RBIs in game one ... followed that with a 1-for-3 effort including another home run in game two ... her two-run homer proved to be the game-winning RBI in the second game ... went 3-for-4 with a double, two homers and three RBIs at Oklahoma State on April 9 ... her second home run proved to be her fourth game-winning home run of the season and second game-winning blast in the seventh inning ... went 2-for-4 with a double, a homer and two RBIs against South Dakota State on April 11 ... added three RBIs in a 2-for-3 effort against Drake on April 13 ... hit her fifth game-winning homer of the

season in the top of the seventh at Texas Tech on April 22 ... that homer was part of back-to-back home runs that lifted the Huskers to victory ... went 1-for-3 with two RBIs against Baylor on May 11 in the elimination bracket of the Big 12 Championship ... drew a career-high two walks at Texas Tech on April 23.

High School

Carwile was a three-time American Softball Association All-State first base selection for the state of California ... led Don Lugo High School in home runs, RBIs, batting average, on-base percentage and slugging percentage in each of her four seasons ... led Don Lugo to four league championships and was the 2005 league MVP ... was named a first-team all-league selection in her freshman, junior and senior seasons and earned first-team All-California Interscholastic Federation (CIF) and All-Inland Valley honors as a junior and senior ... as a sophomore, she was a first-team Division II All-CIF Southern team selection ... was an all-state selection her senior season when she hit .538 with four triples, eight home runs and 22 RBIs ... in the classroom, Carwile was named a Renaissance Scholar Athlete all four years.

A Look at the Numbers.....

5

Carwile showed a unique ability to contribute as a freshman in 2006, and to step up to the plate and deliver in clutch situations. Of Carwile's team-high 12 home runs, five of those homers produced the game-winning RBI. Of those five home runs, three came in the Huskers' final at bat to break a tie and lift NU to a win.

Coach Revelle on Carwile

"Crystal is coming off a great freshman year and an off-season shoulder surgery that leaves her hungry for a return to the diamond. She is a dynamic player who can change the game in one swing of the bat or one stellar defensive play. Look for Crystal to make an even bigger impact in our team's success in 2007."

Carwile's Immediate Impact

Home Runs by a Freshman

Carwile belted 12 home runs in her debut season, one shy of All-American Ali Viola's NU freshman record of 13 set in 1995. Carwile's 12 homers were also the most by a Husker since the 2003 season. More impressively, Carwile's home run total equaled the combined total of all freshmen from the 2002, 2003, 2004 and 2005 seasons combined, while becoming the first rookie to lead the team in home runs since 2001.

Season Outlook [2007]

After posting the best single-season winning percentage in school history, Molly Hill returns as a more experienced and more confident pitcher as a sophomore in 2007.

A native of Wayne, Neb., Hill will again earn her share of starts this season and is also a candidate to pitch in relief. In 24 starts in 2006, Hill finished with an 18-2 record and a 1.83 ERA.

Hill made a statement right from the start last season, as she defeated No. 15 Oregon State with a complete-game effort in the first start of her career on opening day. The win over OSU, which eventually advanced to the Women's College World Series, marked the Beavers' last loss before winning 28 consecutive games.

Under the guidance of Associate Head Coach Lori Sippel, Nebraska pitchers have a history of showing marked improvement from their first season to their second. Hill's progress over the summer and in the fall season have her prepared to make the same leap. If Hill has an even stronger sophomore season, it would give the Huskers one of the top one-two pitching combinations in the nation, along with two-time returning All-Big 12 right-hander Ashley DeBuhr.

Hill has all the makings of an All-Big 12-caliber pitcher, and she gained valuable experience last season. Hill also has the added advantage of having gone through the rigors of Big 12 play, so she has a better idea of what to expect in 2007. The Huskers hope that will help lead them to the seventh Big 12 Conference title in school history.

Freshman Season [2006]

Hill was 18-2, including a 17-2 mark as a starter ... boasted a 1.83 ERA and 172 strikeouts in 145.1 innings ... tossed the first no-hitter of her career in a five-inning win against South Dakota State on April 12 ... surrendered just one walk and struck out seven against the Jackrabbits ... followed with a one-hitter against Drake ... allowed two runs or fewer in 14 of her first 16 career starts ... earned her first career victory and win over a ranked team in the first start of career by tossing a complete game against 15th-ranked Oregon State on Feb. 10 ... made debut against No. 7 Stanford on

High School

Hill was named the honorary captain of the Omaha World-Herald's All-Nebraska first team as a junior and senior and also earned first-team Super State honors from the Lincoln Journal Star ... in her senior season, Hill threw 222.0 innings in leading Wayne High to the Class C state championship ... went 33-0 and did not allow an earned run her senior year and also struck out an amazing 543 batters, an average of nearly 2.5 per inning ... in her senior season, Hill faced 726 batters, allowing just 22 hits (.030 opponent average) and 19 walks ... Hill boasted 28 career no-hitters, 50 shutouts, 10 perfect games and three games in which she struck out all 21 batters ... is the Nebraska high school record-holder for single-season ERA and strikeouts, and career no-hitters and perfect games.

A Look at the Numbers.....

.900

Hill made a splash in the circle during her freshman season, finishing with a sparkling 18-2 record for a winning percentage of .900, the best single-season mark in school history. Her remarkable winning percentage also ranked second nationally among all pitchers with at least 20 decisions.

Coach Revelle on Hill

"Molly has worked exceptionally hard in the offseason to improve every aspect of her game. With a great freshman campaign behind her, we anticipate Molly will have an even larger presence in the 2007 season. With work ethic and intelligence as a measuring stick, the sky is the limit for this Husker."

Hill's Immediate Impact

Victories by a Freshman

Hill won 18 games as a freshman in 2006. Hill's immediate contributions in the circle compare well to senior Ashley DeBuhr and Peaches James, the Huskers' most recent all-conference pitchers who combined to produce six All-Big 12 accolades in the last six seasons, including five first-team selections. Hill's 18 victories last year matched the combined total of DeBuhr's and James' freshman seasons. Hill also stacks up well against the Huskers' last two All-American pitchers, James, a 2004 second-team All-American and Leigh Ann Walker, a second-team selection in 2000.

Season Outlook [2007]

After seeing limited playing time while adjusting to the Division I level as a freshman in 2006, Kimberly Fuller is poised to possibly see significant time as a sophomore in 2007. A natural middle infielder, Fuller is expected to compete for the starting job at second base despite appearing in just eight career games.

In addition to competing for a starting job at second, Fuller is also a candidate to back up Devin Porter at shortstop, and she could also earn a spot in the lineup as the designated player. The first Hawaii native in program history, Fuller could also see action as a pinch-hitter, a role she is familiar with from her freshman season.

Fuller recorded two hits in 11 at bats in 2006, and also showed a good eye at the plate, finishing with three walks to post a solid .357 on-base percentage. She also produced a pair of RBIs and scored two runs, while earning a pair of starts, including one at short.

Defensively, Fuller is a solid choice at second base. She boasts good footwork, a strong arm and good range as a converted shortstop.

Fuller's emergence could be a huge asset for Nebraska, as the Huskers are trying to replace three-time first-team All-Big 12 selection Jessica Yoachim at second base.

Freshman Season [2006]

Fuller appeared in eight games in her freshman season, including two starts ... she went 2-of-11 at the plate and added a pair of runs scored and two RBIs ... coaxed three walks in 14 plate appearances to post a .357 on-base percentage ... made her career debut against Utah State on Feb. 11 ... went 0-for-1 against the Aggies but drew a walk ... made her first career start against Northern Iowa as the designated player on March 1 ... went 0-for-1 against the Panthers but drew two-bases loaded walks to finish with the first two RBIs of her career ... also added the first run scored of her career against UNI ... recorded the first hit of her career as part of a 1-for-3 effort against Northern Colorado on March 14 ... recorded her second hit against South Dakota State on April 11 ... defensively, made one putout and one assist in two chances for a 1.000 fielding percentage.

High School

Fuller attended Roosevelt High School in Honolulu, Hawaii ... she is the first player in program history from the state of Hawaii ... hit .455 with 15 RBIs, two home runs and four triples in her junior season ... in her final year, she batted

.459 with 12 RBIs, six doubles and seven stolen bases ... was a two-time second-team All-Oia selection as well as a two-time all-state honorable-mention pick ... Fuller was also a guard on the basketball team ... chose Nebraska over Southern Utah, Oklahoma State and Graceland.

Coach Revelle on Fuller

"Kimbie is a passionate athlete who will spend many hours honing her craft. She continues to work diligently and is improving every aspect of her game. She has outstanding hands and is a strong defender, who enjoys throwing her body around and getting dirty in order to make the play."

A Look at the Numbers.....

2

In the first start of her career, Fuller drew a pair of bases-loaded walks to post her only two RBIs of the season in an 11-2 Husker victory. Fuller also finished her freshman season with two hits, two runs scored and two total bases to go along with her two RBIs.

MEGHANMULLIN

Sophomore
Outfielder
5-4Bats: Left | Throws: Left
Mesa, Ariz. (Seton Catholic)**Season Outlook [2007]**

Along with senior Jaime Borg, sophomore Meghan Mullin is part of a trio of underclassmen vying for a starting position in the outfield, after the Huskers lost all three starters from the 2006 season.

Mullin appears to have the inside track to earning a starting position, as she is the only potential outfielder to have ever played the position at the Division I level. Mullin served as the backup right fielder in 2006 and started the Huskers' season opener against No. 7 Stanford in right.

A native of Mesa, Ariz., Mullin had just 24 at bats in her first season. Those 24 at bats are more than any other outfield candidate. Mullin boasted a .250 average in 2006, but showed a great eye as she coaxed seven walks against just one strikeout while posting a .438 on-base percentage.

**A Look at the Numbers.....**

1:7

Mullin posted a remarkable 1:7 strikeout-to-walk ratio in limited action during 2006. Mullin struck out just once in 32 plate appearances, while drawing seven walks. She was also hit by one pitch to help her post a solid .438 on-base percentage.

Mullin could also fill a need in the Nebraska lineup, as the Huskers - who have utilized as many as three slappers in the lineup at once in recent years - lost both starting slappers from the 2006 season to graduation.

Freshman Season [2006]

Mullin started in her collegiate debut against No. 7 Stanford in the season opener and made 12 starts on the season ... hit .250 with a stellar .438 on-base percentage ... drew seven walks while striking out only once in 32 plate appearances ... scored 11 runs and added a pair of RBIs and two stolen bases in four attempts ... went 1-for-2 against both No. 7 Stanford and No. 15 Oregon State on the opening day of the year ... scored her first career run against the Cardinal on Feb. 10 ... scored a career-high two runs against Illinois on Feb. 24 ... also drew the first walk of her career against the Illini ... scored two runs against St. John's on March 10 while going 1-for-4 at the plate with her first career RBI ... stole the first base of her career against the Red Storm and added her second swipe one game later against Florida A&M ... went 1-for-2 in her home debut against Missouri Western on March 1 ... her last plate appearance came against Drake on April 13, when she drew a walk ... drew two walks and recorded a single in her last three plate appearances dating back to April 11 ... was perfect in right field in three chances.

High School

Mullin hit .567 with 23 RBIs, an on-base percentage of .611 and 16 stolen bases in her senior year at Seton Catholic ... she also owned a career record of 21-1 and went 15-0 with a 1.02 ERA as a senior ... offensively, never hit below .415 in a season and hit .511 with 31 RBIs and 21 stolen bases as a junior ... was a four-time 3A first-team South Region and South Conference selection ... also was a four-time first-team East Valley Tribune 2A-4A honoree and was named to the Arizona Republic's first-team all-state team in 2004 and 2005 and small school first team in 2002, 2003, 2004 and 2005 ... was also the Republic's 2004 and 2005 small school player of the year and was named the All-East Valley 2A-5A Player of the Year.

Coach Revelle on Mullin

"Meghan has burst on the scene as a key leader to our 2007 team. Her integrity, drive and talent are reasons her teammates follow her lead. Meghan is a winner and she will do everything in her power to make sure the Huskers are winners, too."

Season Outlook [2007]

Brittany Pascale (pronounced PASS-kull) made a solid impact in her freshman season and is poised to make an even bigger impact in 2007. She will compete for the starting designated player position this year, in addition to serving as the Huskers' backup catcher.

Pascale recorded the second-most at bats among all Husker freshmen last season and finished her rookie year with a .230 average. She also finished with 12 walks to post a .344 on-base percentage, while adding eight RBIs, including a pair of clutch seventh-inning RBIs to tie games that Nebraska was trailing.

With a season of experience under her belt and an offseason of training, Pascale will find a way into the lineup this season. Her most likely spot will be at designated player, but she will also relieve Jamie Waldecker at catcher. Pascale also gained valuable experience at first base in the fall and could fill in there as well.

As Nebraska tries to replace some key hitters from last season's team, Pascale is a prime candidate to step into that role. Her ability to thrive in that role may go a long way toward deciding how far Nebraska can advance in 2007.

Freshman Season [2006]

Pascale appeared in 37 games, including 27 starts ... proved to be a clutch bat, especially in pinch-hitting situations ... hit .230 with a pair of doubles, a home run and eight RBIs ... saw most of her action at designated player, but also saw time at catcher ... was responsible for sending Nebraska to extra innings in three of the Huskers' five extra-inning games on the season by tying the game in the seventh inning ... she recorded a pinch-hit sacrifice fly to force extra innings against Notre Dame on March 3, was hit by a bases-loaded pitch in the seventh inning of a game at Texas Tech on April 23 and belted a game-tying pinch-hit homer - the first of her career - to lead off the seventh inning against Creighton on April 27 ... recorded her first hit against Florida Atlantic on Feb. 24 ... went 1-for-2 with a walk and a career-high two runs in her first game at Bowlin Stadium on March 1 vs. Missouri Western ... burst onto the scene at the Best Western Airport Festival in Tulsa, Okla. ... earned two starts behind the plate, one at designated player and appeared in all five games at the tournament ... finished the weekend 7-for-10 (.700) with her first career double and first career RBI ... one of her best at bats came in a pinch-hitting situation ... was called on to step in and hit with the bases loaded and one out in the seventh inning when the Huskers trailed Notre Dame, 2-1 ... fell behind in the count, before working it full and lifting a fly ball to deep right field for a sacrifice fly to tie the game, which NU went on to win in the eighth inning ... went 1-for-3 with an RBI in game two of a doubleheader against No. 17 Oklahoma on April 1 ... went 2-for-3 with a double and three RBIs in a pair of starts against South Dakota State on April 11 and 12 ... was perfect in 77 chances in the field.

High School

Pascale was a first-team all-state selection as a junior and a second-team all-state pick as a sophomore and senior for Lincoln Way East ... earned third-team all-area honors as a freshman and was a first-team all-area and all-conference selection as a sophomore and junior ... was also a Chicago Tribune special mention all-state selection as a sophomore ... as a freshman, Pascale led Lincoln Way East to the Illinois Class 2A state title, batting .280 with 12 RBIs, six doubles and three triples ... off the field, Pascale served as the class president her sophomore, junior and senior years and was named to the honor roll all four years of high school.

Coach Revelle on Pascale

"Britt has taken her game to the next level and is inspiring her teammates in the process. We expect great things from this poised, focused and determined athlete. Britt is a clutch player who wants to be 'the one' in the game-winning situations. This Husker will stand and deliver."

A Look at the Numbers.....

3

Pascale showed a flair for the dramatic in 2006, three times tying a game with pinch-hit RBIs in the seventh inning of games Nebraska trailed. The Huskers went on to win each game, as Pascale forced extra innings in three of NU's five extra-inning contests in 2006.

DARCY RUTHERFORD

Sophomore
Outfielder
5-9Bats: Right | Throws: Right
Omaha, Neb. (Central)

Season Outlook [2007]

Arguably the Huskers' most improved player from last season, Darcy Rutherford is one of only five outfielders on the Huskers' roster. She will compete for the starting job in left field along with sophomore transfer Haley Long.

A converted infielder, Rutherford saw limited action in 2006, as she used the season to improve her game for the Division I level. Primarily used as a pinch runner, Rutherford scored four runs in 25 games and added a stolen base.

Her speed could also come in handy at the plate. A slapper from Omaha, Rutherford could fill a need for the Huskers, who have utilized multiple slappers in the lineup

over the past few seasons, but return no starting slappers from last year's 44-12 squad.

Rutherford has worked hard to improve all areas of her play and has made great strides, according to Head Coach Rhonda Revelle. Even if Rutherford doesn't earn a starting position, she can still contribute to the team in a variety of ways, especially as a pinch runner.

2006: Freshman Season

Rutherford saw action in 25 games during her freshman season ... was primarily used as a pinch runner ... was 0-for-3 at the plate and 1-of-2 in stolen bases ... got the first start of her career against Cal State Northridge on Feb. 11 when she was penciled in as the designated player while pitcher Ashley DeBuhr hit for herself ... scored four runs on the season ... scored the first run of her career against 15th-ranked Oregon State on Feb. 10 ... went 0-for-2 against Illinois on Feb. 24 in her first career at bats ... also went 0-for-1 against Northern Iowa on March 5 ... stole the first base of her career against St. John's on March 10 ... added another run at Texas Tech on April 23.

High School

A graduate of Omaha Central, Rutherford is the 16th Husker in school history to hail from Omaha, the state's largest city ... she led Central to consecutive fourth-place finishes in the state tournament in 2003 and 2004 ... was a two-time Omaha World-Herald first-team Class A all-state selection, as well as a two-time second-team All-Nebraska honoree ... hit .400 with 32 runs scored and 16 stolen bases in her junior season and followed that performance by hitting .447 with 33 runs and 39 stolen bases in her senior season ... was also a guard on the basketball team ... off the field, Rutherford was a member of the honor roll.

Coach Revelle on Rutherford

"Darcy has shown tremendous growth in her sophomore year. From conditioning, to strength gains, to improving her softball skills, every aspect of her athletic ability has been enhanced due to her concentrated efforts to get better. It is exciting for all of us to watch this Husker blossom."

Season Outlook [2007]

Haley Long was a late find for the Huskers and was brought in to be an immediate contributor in the NU outfield this season. With just two outfielders returning from 2006, the coaching staff scoured the country looking for someone capable of solidifying the outfield, and they convinced Long to join the Huskers during the summer.

Long comes to Lincoln from Blinn College in Brenham, Texas. At Blinn, Long enjoyed a stellar freshman season, as she hit .355 with 43 runs scored, five doubles, 33 RBIs, 18 stolen bases and a team-best 10 triples. She was the Buccaneers' starting right fielder, although Long is expected to compete for the starting job in left field for the Huskers.

Although Long has started for a full collegiate year, she is still expected to need time to adjust to the Division I level. The Huskers were hoping Long would get a head start on the adjustment period during the fall season, but an injury limited Long's availability until the final tournament of the exhibition season.

In her limited action of the fall, Long proved to be a sparkplug for the Nebraska offense. She ignited rallies to lead the Huskers to a pair of wins over Michigan and Western Michigan to close out the fall season.

If Long is able to emerge as a starter and can make an impact offensively, she could fill a huge role for Nebraska and become a key contributor as the Huskers strive to reach their lofty goals.

Freshman Season at Blinn College [2006]

In her lone season at Blinn, Long hit .355 with 43 runs scored, five doubles, 33 RBIs, 18 stolen bases and a team-best 10 triples ... hit safely in 11 straight games from Feb. 7 to Feb. 17 ... recorded 16 multi-hit games, including a three-game stretch from March 26 to March 31 where she went 7-for-13 after a pair of two-hit contests and one three-hit game ... had two games where she tripled twice ... produced seven multi-RBI games, including a season-best four against Meridian Community College on Feb. 24 ... drew 12 walks while striking out just eight times ... went 45 at bats before her first strikeout ... scored at least one run in nine straight games from March 17 to April 1 ... during conference play hit .345 (30-for-87) ... in 28 league games, also drove in 18 runs while scoring 22 times ... was perfect in the field in 57 chances.

High School

Long played her high school ball for Brenham High School in Brenham, Texas ... earned first-team all-state honors ... helped lead Brenham to a state title in 2005 by hitting over .300 with a team-high eight triples ... went 4-for-5 with a pair of two-run triples and six RBIs in the state

quarterfinals ... also won two letters in volleyball, earning academic all-state accolades ... chose Nebraska over a second year at Blinn College, Missouri and Kansas.

Coach Revelle on Long

"Haley loves the game, loves to compete and loves to play. She is a scrappy player who will fight to the end in the batter's box. Haley also has a good mind for the game and understands the finer intricacies strategically."

A Look at the Numbers.....

10

Last season at Blinn College, Long recorded a team-best 10 triples in 186 at bats. Long's 10 triples in her lone season of junior college ball were three more than the career total of the Huskers' 10 returning players and were one more than the entire 2006 team.

WHITNEY BARRETT

Season Outlook [2007]

Whitney Barrett may be asked to contribute immediately as she battles with sophomore Kimberly Fuller for the starting job at second base, where the Huskers lost three-time first-team All-Big 12 selection Jessica Yoachim to graduation.

Known as a true competitor, Barrett has all of the tools necessary to earn the starting position. The only thing she lacks is collegiate experience. Barrett was limited during the Huskers' fall season by a hand injury that relegated her to fielding and pinch-running duties only.

Although Barrett missed the opportunity to face Division I pitchers during the fall, while starring at Wetumpka High School, Barrett proved that she can handle the bat.

At Wetumpka, Barrett hit .446 as a junior and .475 as a senior, while combining for 31 doubles, six triples, nine home runs, 109 runs, 63 RBIs and 76 stolen bases in her final two seasons.

Barrett's ability to be a productive bat in the lineup this season would help the Huskers fill a huge void and make the team even stronger.

High School

Barrett earned first-team Alabama Class 5A all-state honors from the Montgomery Advertiser and the Alabama Sports Writers Association ... ranked as one of Alabama's top players in her final two seasons ... enjoyed an outstanding junior season in which she hit .446 with 53 runs, 28 RBIs, 16

doubles, five triples, four home runs, 35 stolen bases, a .500 on-base percentage and a .688 slugging percentage ... had an even better senior season ... hit .475 with 56 runs, 35 RBIs, 15 doubles, one triple, five home runs, 41 stolen bases, a .494 on-base percentage and a .673 slugging percentage ... according to statistics provided by the Montgomery Advertiser, Barrett ranked third in the state in stolen bases, fourth in on-base percentage and fifth in average, RBIs, home runs, on-base percentage and slugging percentage, marking the second consecutive season she finished in the top five in the state in each category ... joined her high school team as an eighth-grader ... chose Nebraska over Auburn, Alabama, Chipola JC and LaGrange, where she took an official visit.

Coach Revelle on Barrett

"Whitney brings a gritty attitude to this team that we look for in athletes. As a competitor, she has one thing on her mind and that is winning. She is very athletic and will make the tough plays look routine. We are very excited to have Whitney Barrett in a Husker uniform."

CRYSTAL GONZALEZ

Season Outlook [2007]

The adjustment period to college ball is expected to be short for freshman Crystal Gonzalez, as the Huskers look for her to win a starting job in an NU outfield that returns no player with more than 12 career starts.

Gonzalez appears poised to make the leap quickly as she is no stranger to high-level competition. While starring at Diamond Bar High School in talent-laden Southern California, Gonzalez routinely faced Division I-caliber talent.

She also gained experience in the summer while traveling with the Corona Angels, considered to be one of the top travel teams in the nation. With the Angels, Gonzalez was a part of two national championship teams and one runner-up squad.

The Huskers hope Gonzalez's experience will help her contribute immediately. A speedy slapper, Gonzalez may be the fastest player on the team. She also possesses a strong arm and was labeled as the top defensive outfielder in Southern California by the Los Angeles Times. Although she is capable of playing anywhere in the outfield, Gonzalez is considered the top candidate to start in center.

With no returning starters in the outfield, Nebraska will need Gonzalez and others to emerge and contribute immediately if the Huskers hope to reach the lofty goals set for the 2007 season.

High School

Gonzalez was named to the California Interscholastic Federation Division II second team, as well as earning second-team all-state honors from Calhisports.com ... labeled as "probably the best defensive outfielder in Southern California," by the Los Angeles Times ... hit .404 with 21 runs scored and nine RBIs as the leadoff hitter for Diamond Bar en route to garnering all-star honors from the Times ... was a two-time all-league selection and won two ASA national championships with the Corona Angels in addition to a pair of national runner-up finishes.

Coach Revelle on Gonzalez

"Crystal is a little power pack who patrols the outfield with the best of them. She plays the game with confidence and gives 100 percent in each practice and game. Crystal will make some breathtaking plays for the Huskers this season that will bring the crowd to its feet."

Season Outlook [2007]

A two-time NFCA High School All-American, Alex Hupp is expected to be a major contributor for the Huskers in her freshman season. Hupp is not only poised to contribute immediately, but she also has the talent to fill a variety of roles for Nebraska.

Hupp will serve as the Huskers' No. 3 pitcher and is also a candidate to start at designated player. A terrific pitcher and hitter, Hupp is capable of tossing a significant number of innings in her rookie season, and could be slated to hit in the middle of the lineup as a freshman.

A native of Olathe, Kan., Hupp starred for Olathe East, the same school as former Husker and two-time All-Big 12 selection Trisha Tannahill. In 2006, she was a perfect 19-0 in the circle with a 0.10 ERA en route to earning first-team All-America honors. Offensively, Hupp batted .531 with a school-record 11 doubles and six home runs as a junior.

Hupp is in the unique position of being counted on to contribute in the circle and at the plate immediately as a freshman and her ability to fill those roles could make the Huskers a formidable foe in 2007.

High School

Hupp earned first-team high school All-America honors from the National Fastpitch Coaches Association (NFCA) and from EA Sports, highlighting a long list of accolades she has received ... was one of four pitchers and 16 players named to the NFCA's first team ... compiled a perfect 19-0

record with a microscopic 0.10 ERA in her senior season at Olathe East ... tossed 15 complete games in 20 starts and picked up 13 shutouts ... struck out 227 batters while walking only seven to post an incredible strikeout-to-walk ratio of better than 32-to-1 ... also earned recognition as the 2005-06 Gatorade Softball Player of the Year for the state of Kansas ... is the second Husker to earn that honor, as Trisha Tannahill, who graduated in May of 2006 with a degree in communication studies, was the Kansas Player of the Year in 2000-01 ... led Olathe East to back-to-back Class 6A state championships and a No. 19 and 21 national ranking by the NFCA in 2005 and 2006, respectively ... compiled a career record of 69-1 and holds the top three spots on the school charts for wins in a single season ... also holds the top three spots in single-season strikeouts as she finished her career with a whopping 672 punch-outs, an average of 168 strikeouts per season ... can also handle the bat ... hit .531 as a junior in 2005 with school-record totals of 11 doubles, six home runs and a .988 slugging percentage ... third-team NFCA High School All-American in 2004 and was the Kansas City Star's 2005 Metro Player of the Year.

Coach Revelle on Hupp

"Alex is a fierce competitor that will do whatever it takes to help the team win. Alex's intensity is a welcome addition to our 2007 squad. This hard-working athlete is a difference maker, and she will make a difference in our success from the moment she steps on the field."

FUTURE HUSKERS

Head Coach Rhonda Revelle has signed a talented four-player group that will join the Huskers for the 2007-08 school year. Below is information on each of the four signees:

Julianne Brechtel, Infielder, Fullerton, Calif. (Sunny Hills)

Brechtel will join NU with a chance to contribute immediately as an infielder. She benefits from having faced top-level competition in Southern California and was also a member of the Orange County Batbusters program that captured the ASA 16-and-under national championship in 2005.

As a junior for Sunny Hills High School, Brechtel led the Freeway League with a .412 average, while ranking third with 11 RBIs and second with two home runs. She posted a .588 slugging percentage but also showed great bat control, finishing with a .533 on-base percentage and drawing 18 walks while striking out just four times in 108 plate appearances. Brechtel added nine doubles and 22 runs scored for Sunny Hills.

Brechtel is also an outstanding defender, as Doug Myers, head coach for the Batbusters declared Brechtel - who played third base - as the best fielder on the team, a major accomplishment on a team that produced several Division I scholarship athletes.

Ashley Guile, Catcher/First Base, Olathe, Kan. (Olathe East)

Guile, the third Olathe East player to sign with Nebraska since the 2003 season, is perhaps the Huskers' most decorated recruit. In addition to her individual accolades, Guile is also a proven winner who has helped East capture three consecutive state titles.

Guile was named a 2006 first-team high school All-American by the National Fastpitch Coaches Association. Of the 16 players named to the first team, Olathe East was the only school to have more than one player on the team and Nebraska was able to sign both (current freshman Alex Hupp was the other). Guile is also a two-time all-state selection at first base.

Guile will look to end her career as a four-time state champion this season. She boasts a .556 career average with an .864 slugging percentage.

Her .624 on-base percentage in 2005 was an Olathe East record, a notable accomplishment for a program that has produced 26 college players, including 12 Division I athletes.

Abby Hughes, Utility, Olathe, Kan. (Olathe North)

Nebraska has traditionally enjoyed success in signing talented players from the Olathe area and the Huskers hope Hughes can continue that trend. While Nebraska has signed three Olathe East players since 2003, Hughes is the first player to sign with NU from Olathe North.

An outstanding student and athlete, Hughes is a three-year letterwinner for Olathe North. She was named the Eagles' offensive player of the year in 2005 and 2006. Hughes was also the defensive player of the year, as well as the team's most valuable player in 2006.

Hughes was a second-team All-Sunflower League selection in 2004, 2005 and 2006, and she earned second-team All-Sun and All-Johnson County accolades in 2004 and 2005, respectively.

In the classroom, Hughes boasts a 4.0 grade-point average and has been selected as an NFCA All-American Scholar-Athlete in each of her first three high school seasons.

Tori Tyson, Right-Handed Pitcher, Corona, Calif. (Corona)

Tyson is the lone pitching prospect in the Huskers' class, but boasts the talent and potential to become a dominant force at Nebraska. Tyson also has a great understanding for the game, as her father, Marty, serves as head coach for the Corona Angels, one of the top travel teams in the country.

As a junior, Tyson was the top pitcher for Corona High School. Against top-level competition, Tyson posted a 1.71 ERA to lead the Mountain View league and rank in the top 25 among inland Southern California Schools, according to the Press-Enterprise.

Tyson finished her junior season allowing just 36 earned run in 147.0 innings. She limited opposing hitters to a meager .218 average, while posting 108 strikeouts.

NU Posts Third-Best Winning Percentage in School History

The 2006 Nebraska softball team finished another successful season with a 44-12 record and a .786 winning percentage, the third-best mark in program history. The Huskers finished second in the competitive Big 12 Conference and advanced to the regional final before being eliminated from the NCAA Tournament by sixth-ranked California.

NU also finished 14th in the final USA Today/NFCA poll, marking the 12th consecutive top-25 final national ranking for the Huskers. The ranking kept Nebraska among the nation's elite, as only six schools have been ranked in all 12 years of the poll's existence.

Outstanding individual and team efforts highlighted the Huskers' season, which featured many memorable moments, including the 1,000th victory in the 31-year history of Nebraska softball. The 2006 squad never suffered more than two consecutive losses, dropping back-to-back games only once to a Texas team that promptly moved up to the No. 1 spot in the polls following its hard-fought sweep of the Huskers.

A consistent and determined squad, the 16 players that made up the 2006 Nebraska softball team achieved success on and off the field. Below is a look at the many accomplishments of the 2006 Huskers.

Seventeen NCAA Bids and Counting

Nebraska softball remained in an elite class when it comes to postseason play. The Huskers are one of nine teams in the nation to appear in the past 12 NCAA Tournaments. Nebraska also has a strong history of earning high seeds in the tournament. In the eight seasons prior to the tournament format switch in 2005, Nebraska earned a No. 2 seed or higher in the NCAA Regional every season. The only other teams that accomplished the feat were Arizona, Michigan, Oklahoma and Washington.

Overall, NU has earned 17 NCAA Tournament bids in program history, tying Texas A&M for the most berths of any Big 12 school. The Huskers have also advanced to the College World Series seven times.

Nebraska has a strong history of hosting regionals at Bowlin Stadium. The Huskers have been awarded an NCAA Regional in four of the last six years.

Two Earn Academic All-America Honors

Seniors Lizzy Aumua and KoKo Tacha were named ESPN the Magazine Academic All-Americans, as Nebraska led all universities in the nation with two selections. The pair of accolades increased the Huskers' nation-leading softball total of Academic All-America awards to 24, six more than second-place New Jersey.

Aumua was named to the first team, marking the first time since 1990 that a Husker earned first-team Academic All-America honors. Tacha was a third-team selection. Under Head Coach Rhonda Revelle, Nebraska has earned seven accolades in 14 years. Aumua carried a 3.88 GPA in sociology and received her degree during May commencement ceremonies. Tacha earned a spot on the team as a utility/designated player with a 3.96 GPA in business administration.

Fellow senior Jessica Yoachim fell just shy of All-America honors, as she was named to the ESPN the Magazine Academic All-District VII team. Nebraska led all schools in the district with three selections.

Jessica Yoachim capped a stellar career by earning her third consecutive first-team All-Big 12 honor in 2006. In addition to ranking second on the squad with a .356 average, Yoachim tied the NU single-season stolen base record with 32 steals in 32 attempts and also captured the Husker career sacrifices record.

Six Earn All-Big 12 Honors

A league-high six Huskers earned All-Big 12 honors in 2006. Seniors Lizzy Aumua and Jessica Yoachim, along with junior Ashley DeBuhr earned first-team honors, while juniors Devin Porter and Jamie Waldecker, as well as freshman Crystal Carwile were named to the second team.

Aumua was honored for the first time in her career, as was Porter. Waldecker and DeBuhr were both honored for the second time in their careers, but DeBuhr's first-team selection was the first award of her career. Yoachim capped a stellar career by earning her third consecutive first-team honor.

Four Claim Academic All-Big 12 Awards

Lizzy Aumua, KoKo Tacha, Trisha Tannahill and Jessica Yoachim each earned first-team academic All-Big 12 honors in 2006. Aumua earned the first honor of her career, while Tannahill and Yoachim were each honored for the third time, including two first-team selections. Tacha earned her third consecutive academic All-Big 12 first-team honor.

Program Records 1,000th Victory

The weekend of March 10-12 proved to be a monumental three days for the 2006 Nebraska softball team and the history of the Husker program. With a 1-0 victory over Kent State on March 12, Nebraska became the fifth Big 12 school - and softball became the first female sport at Nebraska - to reach the 1,000-win milestone. Kansas was the fourth league school to win 1,000 softball games. The Jayhawks reached the mark in 2005. NU narrowly became the fifth school as Missouri, sitting on 999 all-time victories, suffered a loss on the same day Nebraska recorded the mark.

The victory also gave the 2006 Huskers a 16-4 record after 20 games, tying the 2002 squad for the best 20-game start in the history of Nebraska softball. In addition, a 3-0 victory over Florida A&M that same weekend made the 2006 team the fastest squad to score 100 runs in school history.

2006 Huskers Record 1,000th Win in Program History

Ranking Near the Top

Nebraska finished the 2006 season with a No. 14 final ranking in the USA Today/NFCA Coaches poll. The final ranking marks the 12th consecutive season the Huskers finished the year among the top 25. Nebraska is one of only six teams in the nation - and one of only two in the Big 12 Conference - to be ranked in the final poll in each of its 12 years of existence.

Revelle Reaches Milestone

Head Coach Rhonda Revelle reached another career milestone on the second day of the Huskers' season-opening Kajikawa Classic on Feb. 11. When Nebraska defeated Utah State 7-3 in its fourth game of the weekend, it marked Revelle's 800th game as head coach of the Huskers. Revelle, who pitched for NU from 1981 to 1983, played in 128 career games and has been associated with 978 of NU's 1,586 all-time games (62 percent).

DeBuhr Reaches Strikeout Milestones

Junior right-hander Ashley DeBuhr struck out the 600th batter of her career against Missouri in the first round of the Big 12 Championship on May 10. DeBuhr eclipsed the 400-, 500- and 600-strikeout plateaus in 2006 by striking out a class record 304 batters on the season. She became the only pitcher in school history to record 300 or more strikeouts in consecutive seasons.

DeBuhr's 500th strikeout came during an 11-strikeout performance in a 9-1 run-rule victory over 17th-ranked Oklahoma on April 1. Her seventh strikeout of the game was the 500th of her career. DeBuhr reached the 400-strikeout mark for her career when she struck out nine in a five-inning victory over Illinois on Feb. 24.

In 229.1 innings, DeBuhr posted 304 strikeouts, eclipsing Leigh Ann Walker's junior record of 272 strikeouts.

Trisha Tannahill, who homered in her final at bat as a Husker, established a new Nebraska record after being hit by 10 pitches in her senior season.

Nation-Leading Two Huskers Earn Academic All-America Honors

Winning at a Record Pace

Nebraska improved to 40-8 with a win in the regular-season finale against Missouri on May 7. That victory marked the fifth time in the last seven seasons that NU posted 40 victories in a season.

With a 5-0 win over South Dakota State in the second game of a doubleheader on April 12, Nebraska improved to 30-6 on the season. That win marked the ninth consecutive season that the Huskers have posted 30 victories. NU won its 35th game at Texas Tech on April 23, also marking the ninth straight 35-win season.

It took the 2006 team just 36 games to reach the 30-victory mark and only 48 games to reach the 40-victory mark, tying the 2002 squad for the fastest team to 30 and 40 wins in school history.

Yoachim Ties Stolen Base Record

Senior Jessica Yoachim stole her 32nd base of the season against No. 6 Cal in the NCAA Tournament on May 20. Yoachim finished the season a perfect 32-of-32 to tie Anne Steffan's school record total and become just the third player in school history to swipe 30 bases in a season.

Yoachim was one of the most prolific base stealers in the 31-year history of Nebraska softball. Yoachim stole 84-of-87 bases in her career for a remarkable 97 percent success rate. She was not thrown out in her last 52 attempts, a new school record and a stretch that spanned 91 games.

Tannahill Sets Hit-by-Pitch Records

Senior Trisha Tannahill was hit by a pitch in the Huskers' 1-0 win over Kansas on April 26, marking the 10th and final time she was hit by a pitch. She is the first player in school history to get hit by a pitch 10 or more times in a season. The previous single-season school record had been eight.

Tannahill's last hit-by-pitch was the 17th of her career, which tied Jane Kremer's school-record total of 17, set from 1986 to 1989.

Yoachim Sets Sacrifice Record

Senior Jessica Yoachim recorded her 12th sacrifice of the season against Kansas on April 26. That sacrifice was the 42nd in her career, a Nebraska career record. Yoachim had been tied with previous record holder Gloria Von Rentzell, who totaled 41 sacrifices while playing for the Huskers from 1993 to 1996. Yoachim added two more sacrifices to finish with 44 in her career.

The sacrifice record marked the second school record for Yoachim. A two-time first-team All-Big 12 selection, Yoachim set a school record with five hits in a single game in 2005, a feat that was matched by senior Lizzy Aumua in 2006.

Huskers Earn Their Degrees

Six members of the Nebraska softball program, including three 2006 seniors, received their diploma at commencement ceremonies on May 6, at the Bob Devaney Sports Center.

Husker seniors Lizzy Aumua (sociology), Trisha Tannahill (communication studies) and Jessica Yoachim (communication studies) each received their degrees prior to the Huskers' 3-1 win against Missouri. In addition to the three seniors, former Huskers Kira Boerkircher (dance), Sheena Lawrick (family and consumer science) and Anne Steffan (psychology), earned their degrees. Lawrick was Nebraska's undergraduate assistant coach in 2006.

Carwile Adds Power to the Lineup

Freshman Crystal Carwile's three home runs in the first five games of the season were the most home runs by a Husker freshman since Nicole Trimboli hit eight in the entire 2001 campaign. Carwile finished her rookie campaign with 12 homers on the season, the second-highest freshman total in school history. The school freshman record is 13 by Ali Viola in 1995.

Carwile's 12 roundtrippers would have led the 2005 NU squad and her home run total doubled the combined mark of all Husker freshmen from the 2002, 2003, 2004 and 2005 seasons combined.

Striking Success

The Huskers' in-state pitching staff of right-handers Ashley DeBuhr and Molly Hill combined to strike out 476 batters in just 377.2 innings in 2006. The 476 strikeouts ranked second all-time at Nebraska.

NU was hampered by 11 rain outs in 2006, decreasing the number of games to pile up strikeouts. But when looking at strikeouts per game, the 2006 staff averaged 8.50 strikeouts per game, the best mark in school history. The 2001 squad averaged 7.61 strikeouts per game, striking out a school-record 502 batters in 66 games.

Hit By Pitch

Fueled by the top two individual marks in school history, Nebraska set a team hit-by-pitch record for the second consecutive season in 2006. The Huskers were hit by 35 pitches, marking the first time in program history that a team had been hit by 30 or more pitches in a single year. The previous record was 29 in 2005.

Leading the way was senior Trisha Tannahill, who was hit by a single-season school-record 10 pitches. She also tied for the NU career record of 17 hit-by-pitches. Junior Devin Porter was hit by eight pitches, which tied for second place on the NU single-season chart.

Scoring Explosion

A 3-0 win over Florida A&M on March 11 gave the Huskers 100 runs scored in 17 games, making the 2006 team the fastest squad in school history to score 100 runs. A 7-1 victory over Drake on April 13 gave NU 200 runs scored in just 37 games, one shy of tying the 1996 squad for the fastest team to score 200 runs in program history.

It took NU just seven games to total 50 runs, as the 2006 Huskers tied the school record for the fewest number of games before reaching the 50-run plateau.

It was only the fourth time in school history that NU scored 100 runs in fewer than 20 games. It also marked the second time in school history that a Nebraska team had scored 200 runs in fewer than 40 games.

Home Sweet Home

Nebraska finished the season with a 20-1 record at Bowlin Stadium after posting a pair of victories against Missouri to end the regular season. The Huskers started 13-0, marking the best start in the five-year history of Bowlin Stadium. The previous best start was 5-0 by the 2004 squad. In addition to the stellar start, NU's 13-game home winning streak was also the longest in the history of Bowlin Stadium and the 20 wins were a single-season Bowlin Stadium record.

The 13-game home winning streak marked the longest for Nebraska since the 2000 season. In 2000, the Huskers went a perfect 20-0 in the second-to-last year of the Nebraska Softball Complex.

Huskers Explode for 21 Runs

After a 12-day layoff, the Huskers erupted for seven first-inning runs, eight more in the second and five more in the third en route to a 21-1 rout of Illinois on Feb. 24.

The 21 runs were the second-most in school history (23 is the school record) and marked only the second time in program history that Nebraska scored 20 or more runs in a single game. The Huskers batted around in each of the first three innings and finished with 16 hits.

NU also pounded out four home runs by four different players. The four-homer game marked the first time since March 13, 1998 against Bowling Green - a span of 484 games - that the Huskers had four players hit a home run in the same game.

The 21 runs allowed and 20-run margin of defeat were both the largest in the history of Illinois softball, while the Huskers also set and tied several NFCA Leadoff Classic records in the 11th year of the prestigious event.

Nebraska's 21 runs were a new Leadoff Classic record, as were the Huskers' four home runs. Junior Jamie Waldecker established a tournament record with six RBIs in the win, while senior Lizzy Aumua earned a spot in the record book with five hits.

Lizzy Aumua earned first-team CoSIDA Academic All-America honors, and as claimed first-team All-Big 12 and second-team NFCA All-Midwest Region awards.

 May 12: Championship Game, TBA

Tournament Notes:

► Nebraska has captured three titles at the Big 12 Championship, including victories in 1998, 2002 and 2004. The Huskers boast a 32-15 all-time record at the event, including a league-high 32 wins and .681 winning percentage.

► The Big 12 Championship has a new look in 2007, as the double-elimination format from the past 11 years has been dropped in favor of a single-elimination format. The move cuts the number of games in half, which pushes the starting date of the tournament back until Thursday for the play-in games and Friday for the first round.

In May of 2002, the seventh-ranked Nebraska softball team finished the season with a 50-14 record and advanced to the NCAA Women's College World Series for the first time since 1998. Nebraska entered competition at ASA Hall of Fame Stadium as the No. 7 seed and was scheduled to face second-seeded Arizona, the defending national champion, in the opening round May 23. NU has made seven appearances in the WCWS, and the Huskers placed second in 1985, their highest finish ever.

The Road to Oklahoma City

The Huskers secured their bid when they defeated Notre Dame, 5-3, May 19 in the Region VII championship game at Iowa City, Iowa. Nebraska advanced to the regional final with relative ease, shutting out Illinois-Chicago (1-0), No. 22 Iowa (3-0) and 15th-ranked Oregon State (7-0). The Huskers swung for a .320 average in regional play, and six of the nine players in the order hit .300 or better. Junior shortstop Amanda Buchholz hit .636 (7-for-11) with two doubles and earned regional MVP honors.

NU pitchers Peaches James and Leigh Ann Walker combined for three shutouts and a 0.75 ERA in regional competition, holding Nebraska's four opponents to a collective .144 average. Walker notched 11 strikeouts in 11.2 innings at Iowa City and broke the NU career strikeouts record, surpassing NU assistant coach Lori Sippel's 14-year-old mark of 838.

The 2002 WCWS

The Huskers struggled offensively in the opening round and suffered a 1-0 loss to Arizona. NU struck out nine times against UA All-American pitcher Jennie Finch and fell to the elimination bracket to face sixth-seeded Michigan May 25. Nebraska bounced back with a 1-0 win over the Wolverines. Walker and James combined for a one-hit shutout. Senior third baseman Cindy Roethemeyer drove in the Huskers' only run with an RBI single in the top of the fifth.

NU turned around to face eighth-seeded Florida State that night. Nebraska was plagued by defensive errors against the Seminoles, committing two errors in a disastrous fifth inning and three overall in the game.

Down by three runs after the top of the fifth, the Huskers responded in the bottom of the inning. With the bases loaded, Nicole Trimboli ripped a two-run single to left center to pull the Huskers within a run. Trimboli continued to second on the throw home, but FSU caught her rounding the base to end the inning with Nebraska trailing, 4-3. Trimboli led NU offensively during the WCWS, hitting .333 (3-for-9) with two RBIs.

NFCA All-Americans at Nebraska

Denise Day

Shortstop (1982-85)

One of the greatest hitters in NU history, Denise Day held nearly every offensive record at NU until recent years. A two-time CoSIDA Academic All-American, Day still ranks in the top five in several Nebraska career categories, including batting average (.336-fifth). Day held the all-time home run mark with 28 until 1997.

Originally from Pennsylvania, Day earned first-team All-America honors following her senior campaign after hitting .359 with a then-school record 11 homers. In 1985, Day helped NU finish second at the WCWS and earned the prestigious Honda Broderick Award for her achievements.

Tobin Echo-Hawk

Third Base (1993-96)

Arguably the greatest third baseman in Husker history, Tobin Echo-Hawk's first All-America honor came in 1995 after hitting .405 with a school-record 22 doubles. She led the Huskers to a then-school record 43-win season and was named a second-team All-American. As a senior in 1996, Echo-Hawk hit .340 and scored a record 61 runs. Playing alongside fellow All-American Ali Viola, Echo-Hawk earned an at-large berth on the team in 1996.

However, 1994 was perhaps Echo-Hawk's greatest season. She hit an amazing .439 and slugged seven homers, but wasn't named to an All-America team. Echo-Hawk ranks among the top three on six NU offensive career charts, including batting average (second, .379), hits (first, 266), runs scored (third, 168), doubles (tied for first, 48) and total bases (third, 378). She continued her softball career with the Akron Racers of the WPSL.

Lori Richins

Second Base (1984-87)

Lori Richins became NU's second first-team All-American in 1986 after hitting .297 with six home runs. Richins added a second-team All-America nod the next year after hitting .261 with four homers. Many of Richins' career totals rank in the Husker record book, including batting average (.284-20th).

Originally from Chico, Calif., Richins helped the Huskers to a 156-43 record during her career at NU, including a second-place national finish and two third-place ties. Richins was also named to the CoSIDA Academic All-America team on three occasions.

Ali Viola

Shortstop (1995-98)

Nebraska's first three-time All-American, Ali Viola owns a storied place in Husker history. Viola also ranks among the greatest offensive players in NCAA history. Her 53 career homers rank fifth in NCAA history, and her .760 career slugging percentage ranks sixth. Viola capped her career in 1998 with a 22-homer performance en route to a second conference player-of-the-year award.

Not surprisingly, Viola owns many career NU records, including batting average (.418), home runs (53), RBIs (213), total bases (478) and slugging percentage (.760). Viola owns the top three single-season marks in total bases and RBIs. She also set single-season records for hits (87, 1995), home runs (22, 1998), slugging percentage (.865, 1998) and walks (40, 1998).

Many of her home runs came in clutch moments for NU. Fittingly, Viola smashed a homer in her final at bat at the 1998 WCWS.

Lori Sippel

Pitcher (1985-88)

Few players may ever come close to equaling Lori Sippel's pitching accomplishments. Sippel racked up 73 victories, 695.1 innings pitched, a 0.54 earned-run average, 838 strikeouts, 39 shutouts, 80 complete games, 16 saves and 10 no-hitters, which all stood atop the Husker career charts until 2000. Sippel's career strikeouts record stood until the 2002 season, when All-American Leigh Ann Walker surpassed her mark. Despite these numbers, Sippel never captured first-team All-America honors, although she was a second-team selection in both 1986 and 1987.

During the 1987 season, Sippel posted arguably the most impressive pitching season in NU history. She went 20-3 with a 0.38 ERA and six saves to lead NU to a WCWS semifinal appearance. But Sippel's greatest achievement might have been her 1988 NCAA Athlete-of-the-Year award, given to her based on both scholastic and athletic ability.

#16

► **Second Team**
(1986 & 1987)

Christie McCoy

Designated Player/Pitcher (1997-98)

In just two years, Christie McCoy established herself as one of the top power hitters in NU history. McCoy slugged 17 homers during her All-America campaign in 1998, which ranks second in the Husker record book. She finished her career with 26 homers, which ranks seventh in Nebraska history, and a .642 slugging percentage, which ranks second on the Husker career charts. McCoy ranks seventh on the Nebraska all-time chart with a .332 batting average.

Jennifer Lizama

Infielder (1997-2000)

Jennifer Lizama joined Ali Viola as the only three-time All-Americans in school history, earning first-team honors in 1999 and second-team recognition in 1997 and 2000. One of the greatest all-around players in Nebraska history, Lizama rewrote the NU record books, finishing her career ranked among the top six on 14 career charts and setting then-career records in at bats (710), games played (232), stolen bases (91), runs scored (199) and walks (124).

Lizama ranks second all-time at Nebraska and 22nd on the NCAA career home run charts with 47. She slugged two home runs in a single game on three occasions, a feat accomplished only by fellow All-Americans Ali Viola and Christie McCoy.

Kim Ogee

Outfielder (2000-03)

Easily one of the most versatile offensive players in school history, Kim Ogee became the Huskers' 10th NFCA All-American when she earned third-team honors in 2002 after leading the Huskers to their first NCAA Women's College World Series appearance in four years. The Omaha, Neb., native led the Huskers in nine offensive categories, including batting average (.356) and steals (31), while starting every game in center field as a junior.

Ogee broke the NU career record for stolen bases on April 16, 2003, when she recorded her 92nd steal. She ranks among the top five on several career charts, including at bats (first, 795), games played (first, 258), hits (tied for second, 263), runs (second, 182), doubles (tied for first, 48), total bases (fourth, 369) and walks (third, 115).

► **Third Team**
(2002)

Jenny Voss

Pitcher (1997-2000)

Jenny Voss became the first in a long line of great Husker pitchers to earn first-team All-America honors in 1998, when she not only eclipsed the never before touched 30-win barrier, but finished with an amazing 40 wins. Voss' 40 wins in 1998 are tied for 12th in NCAA history. She ended the season by hurling 101 consecutive scoreless innings, over a stretch of 14 games.

Voss shattered many Husker season pitching records, including victories (40), complete games (46) and innings pitched (340.1). Voss ended 2000 with career records in victories (110), innings pitched (1,073) and complete games (127). She also ranked among the top 15 all-time in NCAA history in games pitched, games started, innings pitched and victories.

(1998)

Peaches James

Pitcher/Utility (2001-04)

Perhaps the most decorated pitcher in school history, Peaches James finished her Husker career by earning second-team NFCA All-America honors in 2004. In her senior season, James finished with a 37-9 record and a 0.70 ERA. She set single-season Nebraska records with 394 strikeouts and 18 shutouts and held opposing batters to a meager .137 average.

James was named the Big 12 Most Valuable Player and earned Big 12 Tournament MVP honors. In the Big 12 Tournament, James was dominant, throwing the second perfect game in school history against 19th-ranked Oklahoma.

For her career, James is the Nebraska all-time strikeout (945) and shutouts (44) leader and ranks in the top 10 in every pitching category, including ranking second with 98 victories.

Leigh Ann Walker

Pitcher (1999-2002)

The second-best strikeout pitcher in school history, Leigh Ann Walker earned second-team All-America honors as a sophomore, when she finished the 2000 season with a team-best 1.58 ERA and 233 strikeouts. Walker became the Nebraska career strikeouts leader May 17, 2002, in Nebraska's NCAA Regional win over Iowa. Walker struck out six Hawkeyes in six innings to break Lori Sippel's 14-year-old mark of 838.

Walker, who in 2000 became the third Husker to record two 20-win seasons, ended her career ranked among the NU leaders on several other charts, including victories (third, 81), winning percentage (second, .764), innings pitched (fourth, 670), earned-run average (10th, 1.62), shutouts (fifth, 27), saves (sixth, eight) and complete games (eighth, 55).

Anne Steffan

Outfielder (2002-05)

One of the fastest players in school history, Anne Steffan batted .388 with a school-record 32 stolen bases in her final season at Nebraska. She earned third-team All-America honors for her efforts that included a .430 on-base percentage, 80 hits, 41 runs scored and a school-record 26-game hitting streak.

In an outstanding senior campaign, Steffan recorded a multi-hit game a remarkable 25 times in 59 games in 2005. She left NU with the third-highest career average in school history and also ranked second on the career stolen base chart. Steffan went on to play for the Chicago Bandits in the National ProFasPitch League, where she was named to the All-Star team in her first season, one of three former Huskers honored.
